FROM: Roger Healy, P.E.
Chief Engineer

SUBJECT: Chief Engineer Directive-
Revised FHWA Stewardship
and Oversight Agreement

The attached Federal Highway Administration, Alaska Division and Alaska Department of Transportation & Public Facilities Stewardship and Oversight Agreement dated September 22, 2009, is effective immediately for all FHWA authorized projects. All FHWA authorized projects with American Recovery and Reinvestment Act funds are considered High Profile projects. DOT&PF Headquarters and region management will collaborate with FHWA for selection of future High Profile projects.

Program management and project development process steps already completed in accordance with the previous Federal-Aid Project Oversight Responsibility Agreement and Matrix are grandfathered under the previous guidance. Program management and project development steps not yet completed must comply with the September 22, 2009 agreement. Coordinate with your region's FHWA Area Engineer to provide pertinent informational copies for documentation of project management and project development steps grandfathered under the previous guidance.
