

AIAS Economic Engine

AIAS provides a solid foundation for air commerce in our nation's most aviation-dependent state.

AIAS is an economic engine of regional, state, and global significance.

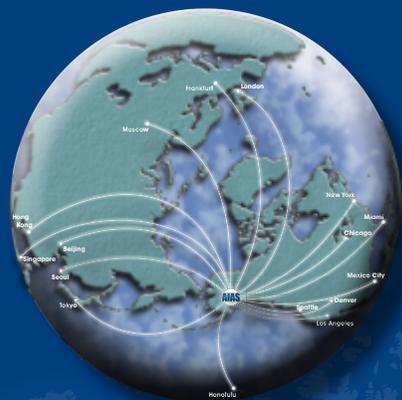

Serving 30 passenger and 50 cargo destinations.

Anchorage International Airport

- 15,577 Jobs - one in ten jobs in Anchorage
- \$724 million in direct annual payroll
- \$303 million in annual community payroll
- #2 Airport in North America for landed cargo weight
- #4 in the world for cargo throughput

Fairbanks International Airport

- 1,900 Jobs - one in twenty jobs in Fairbanks
- \$255 million in statewide economic output

The Alaska Advantage

9.5 hours from 90% of the Industrialized World

Two Airports – One System

- Certainty: never a simultaneous closure and open 24/7/365
- Superior service: winners of multiple Air Cargo Excellence Awards and Balchen Post awards for superior snow and ice control
- State of the art facilities: DG VI ready and Common Use capable
- Unique and liberal cargo transfer opportunities

The AIAS Strategic Plan is an element of the Alaska International Airport System Planning Study

Prepared for the DOT & PF

Alaska Department of Transportation & Public Facilities
Alaska International Airport System

Two Airports
One System

Fairbanks International Airport
"A World AeroNexus"

Ted Stevens Anchorage International Airport
"A World AeroNexus"

AIAS established in 1961

Over 50 years serving the State of Alaska; now planning for the next 50 years

International Airport Revenue Fund

No State General Funds
Financially Self-Sufficient
Shared Revenue/Expenses

Management

By DOT & PF
Local Airport Management
System Rates, Fees, & Policies

TO KEEP ALASKA FLYING AND THRIVING

AIAS Purpose

TO KEEP ALASKA FLYING AND THRIVING

Core Values

Integrity: Honesty, dependability, unity and high ethical standards

Enterprising: Innovative, proactive, pioneering, business-centric airport system

Excellence: Commitment to improve and a passion to provide superior service and infrastructure

Respect: Professional regard for colleagues and customers

Our Vision

By 2030, AIAS is a global nexus for aviation-related commerce.

We will be a model government-owned enterprise, adaptive and agile

We will proactively address global changes and world markets

We will operate safely while striving for efficiency

We will be a coveted place to work

We will optimize our contribution to Alaska's economy and quality of life

We will involve, value and balance the interests of system stakeholders
