# ANC

Ted Stevens Anchorage International Airport (ANC) is an important contributor to the Municipality of Anchorage (MOA) and the Alaska economies and is a critical link between Alaska communities, U.S. and international destinations. The economic impacts of ANC for FY2011 are presented in this brochure, painting a true picture of the important role ANC has on employment, earnings, spending, projects and more for the State of Alaska.

## Employment & Earnings

9,123   
 direct jobs  
 earning \$724M 

6,454   
 indirect/induced jobs  
 earning \$303M 

+  
 15,577   
 Total jobs  
 earning \$1 Billion 

## Government Revenues

- At least \$2.3 million in property taxes to the MOA from businesses operating at ANC
- \$101.2 million in operating & investment revenues for the International Airport Revenue Fund (Landing fees made up 37% or \$37.5 million in total revenue)

**1 in 10** in Anchorage is directly or indirectly related to ANC  
**J O B S**

## Spending on Goods & Services

- ANC spends over \$12 million annually on locally provided goods and services  
\*does not include utilities or construction related spending
- Public infrastructure construction projects at ANC generated 1,078 jobs and \$54 million in earnings

## Aviation Activity

- ANC received 92,684 aircraft landings in FY2011
- ANC saw over 5 million passengers and more than 5.75 billion pounds of freight

## Linking Anchorage

- 2.3 million passengers boarded direct flights that originated in Anchorage
- Passengers traveled from Anchorage to 136 different destinations in Alaska, the U.S., and internationally
