Anchorage Airport Update
August 2017

- 1. Lake Hood Seaplane Base Master Plan Update:** Final report is being wrapped up this month. Final documents will be posted on the website and public notice provided. Visit lhdmasterplan.com to send comments, questions and request to receive notifications/updates.
- 2. LHD Seaplane Base Regulations:** Throughout the summer, airport staff will be researching and drafting regulations change proposals. The draft proposals will be discussed with the LHD regulations advisory committee at a meeting tentatively planned for this Fall. The meeting will be public noticed. The public is welcome to observe the meeting, and if time allows, provide comments at the end of the meeting. Please direct questions to Alex Moss, AIAS Planning Manager, alex.moss@alaska.gov, 907-266-2540.
- 3. LHD Lakeshore Taxilane Reconstruction Project:** Work along sections of Lakeshore Taxiway and Aircraft Drive is expected to continue through the summer as part of the long term efforts to maintain infrastructure. The work south of Lakeshore Taxilane and Taxiway V is complete. Work on Lakeshore Taxilane will continue north of the Taxiway V intersection. Aircraft Drive will continue to have detours. Please be careful during these non-standard traffic flows. Construction is anticipated to be complete late August/early September.
- 4. Postmark Drive Pavement Rehabilitation Project:** This project is rehabilitating 1,900 feet of Postmark Drive from DeHavilland Avenue to the North Terminal Parking exit. Project includes pavement milling, repaving and striping. Construction is anticipated to be complete mid-August.
- 5. Passenger Screening Wait Times:** Increased wait times are expected for passengers in TSA's passenger screening lines this summer season. Travelers are advised to arrive at the airport at least two hours prior to departure time. All lanes are expected to be staffed and operational during the peak times.
- 6. Airport Recruitment:** The Airport is recruiting for equipment mechanics and operators, as well as facility maintenance positions. Additional information on these opportunities can be found on Workplace Alaska or through Local 71 at the following web addresses: local71.com/jobs and governmentjobs.com/careers/Alaska.
