**Anchorage Airport Update**  
January 2018

**1. LHD Seaplane Base Tiedown Regulations:**

- a) Proposed changes to the regulations are now out for public notice and comment through January 19, 2018. The notice may be viewed along with the change proposals on the Online Public Notice system at [aws.state.ak.us/OnlinePublicNotices/Notices/View.aspx?id=187873](http://aws.state.ak.us/OnlinePublicNotices/Notices/View.aspx?id=187873).
- b) A public meeting was held December 12, 2017 to review proposed changes. The meeting notes and presentation provided at the meeting are available on the LHD website at <http://dot.alaska.gov/anc/business/generalAviation>.

**2. Lake Hood Seaplane Base Frozen Lakes:** Winter operations are in effect and we are requesting everyone's help to spread the reminder to please stay off the ice unless accessing or operating aircraft. The frozen lakes remain restricted active runway surfaces all winter long for ski operations. For further information please contact the Lake Hood Office at 907-266-2410.

**3. Terminal Concessions:**

- a) The Pork and Pickle restaurant will soon be available to serve the public pre-security in conjunction with the current post security offerings. Construction of the pre-security location will begin March with estimated completion by late spring/early summer.
- b) Construction of a new ice cream venue, Crème, located both pre and post security, will begin March with estimated completion by late spring/early summer.

**4. ANC Runway 15/33 Rehabilitation Project:** The project will rehabilitate and widen RW 15/33 (the north/south runway), and update taxiway geometry to meet FAA standards through the summers of 2018 and 2019. The runway will be partially closed during the 2018 summer and fully closed during the 2019 summer, which will require heavier cargo aircraft to be shifted to the east-west runways during construction.

**5. Airport Recruitment:** The Airport is recruiting for equipment mechanics and operators, as well as facility maintenance positions and Police and Fire officers. Information on these opportunities can be found on Workplace Alaska or through Local 71 at the following web addresses: [local71.com/jobs](http://local71.com/jobs) and [governmentjobs.com/careers/Alaska](http://governmentjobs.com/careers/Alaska).
