

STATE of ALASKA DEPARTMENT of
TRANSPORTATION & PUBLIC FACILITIES

ALASKA DOT&PF'S COVID-19 COMMUNITY MESSAGE

**We are committed to the safety of Alaska's
communities in the face of COVID-19.**

Transportation connects Alaskans to food, supplies and medical care, and construction is vital to our economy during these times. We are working together with our rural and urban partners to ensure another safe construction season.

We are taking these extra precautions to ensure the safety of our communities.

Employees and contractors...

- Who have traveled outside the state will adhere to a 14-day quarantine
- Will undergo health screenings
- Will continue to practice social distancing
- Will be required to follow new guidelines for sanitation, personal protective equipment, travel and sick leave
