

ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES

FACT SHEET

Homer Lake Street Rehabilitation Project No: Z524610000

Project Scope

The Alaska Department of Transportation and Public Facilities (DOT&PF), in cooperation with the Federal Highway Administration (FHWA), is proposing to rehabilitate Lake Street between the Sterling Highway and Pioneer Avenue/East End Road. The purpose of this project is to extend the service life of the roadway, improve pedestrian and bicycle facilities, and improve general safety and drainage. The proposed work will include:

- Rehabilitate 2,500 feet of pavement
- Widen the road to the west and add designated bike lanes to both sides of the road
- Improve the Sterling Hwy intersection
- Reconstruct curb/gutter and sidewalk on the east side of the road
- Re-establish existing ditches
- Improve drainage by replacing failing culverts
- Acquire Right-of-Way interests as needed
- Relocate utilities as needed

Current Status

This fall DOT&PF plans to begin the process of appraising property required for construction. The design process is ongoing and focusing on utility design and relocation.

Schedule

Construction is expected to begin in 2018, but is dependent upon completion of Right-of-Way acquisition, funding allocations, and obtaining permits. The next design review is scheduled for late Fall of this year.
