ALASKA UNIFIED CERTIFICATION PROGRAM INFORMATION

The Alaska Unified Certification Program (AUCP), which is mandated by the US Department of Transportation and administered by the Alaska Department of Transportation and Public Facilities Civil Rights Office, is your "one-stop" certification process which provides you an opportunity to participate as a Disadvantaged Business Enterprise (DBE) on projects funded by the Federal Highway Administration (FHWA), Federal Aviation Administration (FAA), and Federal Transit Administration (FTA), that are let by numerous agencies throughout the State of Alaska.

ALASKA UNIFIED CERTIFICATION PROGRAM DIRECTORY INFORMATION

The directory lists the firms currently certified as Disadvantaged Business Enterprises (DBE) with the State of Alaska. The DBE Directory is maintained by:

Alaska Department of Transportation and Public Facilities, Civil Rights Office
2200 E 42nd Avenue/PO Box 196900
Anchorage, AK 99519-6900
Phone: (907) 269-0851
Fax: (907)269-0847
Within Alaska: 1-800-770-6236

The directory is updated weekly on the Civil Rights Office website at: <http://www.dot.state.ak.us/cvlrts/directory.shtml>. The information is listed three different ways:

1. *Alphabetical by Work Category*
2. *Alphabetical by NAICS Code*
3. *Alphabetical by Firm Name*

DBE DIRECTORY NOTICE

This publication is NOT an endorsement or guarantee of the capability, dependability, availability, or bonding limit of any firm listed. All work performed by DBE firms are eligible for DBE credit as long as the DBE is certified in the work category the bid item would fall under. DBE credit will be given regardless of the GFE Required status.

ADOT & PF NOTICE TO PRIME CONTRACTORS

To be found in compliance with the provisions of the Alaska Department of Transportation & Public Facilities Contract Standard Modification E 114, Section 120, a prime contractor must contact all DBE firms listed as a DBE - Mandatory Contact on the Department's Plan Holder's Self-Registration List. The requirements of the DBE Program no longer require prime bidders to use the DBE Directory to determine which DBEs it must solicit in order to meet a project's DBE Utilization Goal. Prime bidders are still required to use the DBE Directory, however, to determine whether a DBE firm is certified to perform the work being bid.

Notification to all active DBEs listed on the Department's Plan Holders Self-Registration List for the project being bid must be given at least seven (7) calendar days prior to bid opening. The prime bidder must give the DBE firms no less than five (5) days to respond.

ADOT & PF NOTICE TO DBE CONTRACTORS

A DBE firm may establish itself as a mandatory contact by registering on a project's Plan Holder's Self-Registration List within seven (7) days of the project's advertised date. A DBE firm signing up on a project's Plan Holder's Self-Registration List after that time will be considered a voluntary contact.
