ACCESS REQUIRED (CIRCLE): AOA or AOA & SECURE AREA

I hereby certify each of the above listed company vehicles are insured, have an airport operational need to be approved to enter the airport's Airport Operations Area (AOA) / Secure Area and are to be operated by authorized airport ID badged holders. Vehicles are required to have a 5 inch or larger company logo and/or lettering on each side of vehicle, and proof of insurance (as required in AS 28.22.011 (a)). In addition, vehicles that will be operating on controlled surfaces are required to have: at least one yellow flashing warning light (visible from 360° around vehicle) and an operational FAA ground radio. Permit is valid for the above vehicle only. Permit must be removed and Airport Badging & Permits Office notified when the vehicle will no longer be in service at the Fairbanks International Airport.

I certify that each of the above vehicles has:

- () Minimum 5 inch high identifying company logo and/or lettering on each side of vehicle;
- () Proof of Insurance per AS 28.22.011 (a).

For vehicles operating on controlled surfaces, in addition to the above, the vehicle has:

- () Yellow flashing light visible from 360° around vehicle;
- () Operational FAA ground radio.
