# Aircraft Incident at Fairbanks International Airport

For Immediate Release: March 1, 2019

Contact: Sammy Loud, 907-378-9017, [Sam.loud@alaska.gov](mailto:Sam.loud@alaska.gov)

(Fairbanks, Alaska) - Just after 9 p.m. Friday, March 1, 2019 a Cessna aircraft lost power and had to make an emergency landing at Fairbanks International Airport. Airport personnel responded and the pilot and two passengers were uninjured. FAI is working with the National Transportation Safety Board to remove the disabled aircraft from the runway to resume operations. As always, passengers should check with their air carriers for the most current flight status.
