

COLLEGE ROAD MEDIAN EXTENSION & RAMP SIGHT DISTANCE IMPROVEMENTS

The Alaska Department of Transportation, in cooperation with NPC Energy Services, LLC., is working to reconstruct right-turn ramps to improve sight distance and install roadside hardware at multiple intersections. Crews will be constructing a new median on College Road from the Costco driveway to Illinois Street as well. In addition to constructing a new median, work will include installing roadside hardware, drainage and other intersection improvements. We will do our best to keep you informed of any project updates and appreciate your patience and cooperation during construction. This project is expected to be complete in October 2020.

Planned Project Details:

- Work is expected to start in June 2020.
- Expect RAMP CLOSURES and LANE CLOSURES.
- Crews will be working during the day and at night.
- Drivers should expect possible DELAYS.

If you would like to receive email updates about this and other Fairbanks/North Pole projects, please email fairbanksconstruction@alaskanavigator.org.
