

TANANA LOOP and SOUTH CHANDALAR DRIVE INTERSECTIONS

The Alaska Department of Transportation, in cooperation with Exclusive Paving, is working to upgrade the intersection of Tanana Loop and South Chandalar Drive. Work will include realigning Salcha Street and Tanana Loop east of Chandalar Drive, and realigning Chandalar Drive north of the intersection. Work will also include replacing storm drain systems, constructing pedestrian pathways to meet ADA requirements and installing new street lighting throughout the project. We will do our best to keep you informed of any project updates and appreciate your patience and cooperation during construction. This project is expected to be complete in August 2020.

Planned Project Details:

- Work is expected to start in April 2020.
- ROAD CLOSURES will start in phases. More information about CLOSURES will be available on **AlaskaNavigator.org**.
- Expect ROAD CLOSURES on South Chandalar Drive.
- Tanana Loop will be CLOSED to through traffic.
- Drivers should also expect possible DELAYS as crews are working in the area.

If you would like to receive email updates about this and other Fairbanks/North Pole projects, please email fairbanksconstruction@alaskanavigator.org.
