

CONSTRUCTION NORTHERN REGION 2016

FAIRBANKS & NORTH POLE

- 1** **YANKOVICH ROAD/MILLER HILL ROAD MULTI-USE PATH**
Contact: Tad Tomasic, 750-3541
• Remaining work this summer: culvert, ditch, seeding and shoulder work, as well as other work near the Large Animal Research Station
- 2** **COLLEGE ROAD RIGHT TURN LANES**
Contact: Jacob Helton, 322-9776
• Installing a separate right turn lane at the intersection of College Road/Old Steese Highway, and a new, second right turn lane at the intersection of College Road/Steese Highway
- 3** **BADGER ROAD BIKE/PEDESTRIAN PATH RESURFACING**
Contact: Dean Ash, 451-3068
• Resurfacing the Badger Road bike/pedestrian path and constructing ramps
- 4** **AURORA AND AUBURN DRIVE RESURFACING**
Contact: Tyler Straub, 388-8214
• Resurfacing roadway on Aurora Drive from Hanson Road to College Road, as well as roadway and bike path along Auburn Drive

- 5** **CITY OF FAIRBANKS PEDESTRIAN FACILITIES UPGRADE**
Contact: Tyler Straub, 388-8214
• Reconstructing pedestrian facilities on Aurora Drive, Cowles Street, Lacey Street, and 5th, 6th, 7th, 8th, 9th, and 10th Avenues from Cowles Street to Noble Street, and 10th Avenue from Noble Street to the Steese Highway
- 6** **PEGER ROAD RESURFACING**
Contact: Mary Ann Robinson, 451-2794
• Resurfacing Peger Road from the Alaska Railroad yard to 500 feet past Van Horn Road, approximately 1,840 feet of Phillips Field Road and the Peger Road/Johansen Expressway on and off ramps
- 7** **FMATS PEDESTRIAN IMPROVEMENTS, STAGE I**
Contact: Mary Ann Robinson, 451-2794
• Constructing pedestrian facilities along Davis Road, Peger Road, Wilbur Street and Lathrop Street
- 8** **NORTHERN REGION SIGNAL INTERCONNECT MITCHELL-JOHANSEN**
Contact: Mary Ann Robinson, 451-2794
• Upgrading the existing copper wire-based traffic signal interconnect from the Mitchell Expressway to the Johansen Expressway; improving capacity, reliability and insurance from accidental line breaks

- 9** **GOLDHILL ROAD BICYCLE AND PEDESTRIAN FACILITIES**
Contact: Tom Laurencelle, 451-2630
• Widening the shoulders on Goldhill Road; resurfacing the roadway, approach work, signing and striping
- 10** **CHENA HOT SPRINGS ROAD SAFETY IMPROVEMENTS**
Contact: Lauren Staff, 322-7625
• Updating striping and installing warning signage from just east of the Steese Expressway to the end of the route; installing radar speed feedback signs and optical speed bars
- 11** **FAIRBANKS AREA SIGNING AND STRIPING**
Contact: Dave Arvey, 451-2621
• Updating striping and warning signs on the Old Steese Highway at Fox, Ballaine Road, Farmers Loop Road, Steele Creek Road, Gilmore Trail, Goldstream Road, Sheep Creek Road, Murphy Dome Road, Chena Ridge Road, Chena Pump Road, the Old Richardson Highway at North Pole and Badger Road
- 12** **FAIRBANKS AND NORTH POLE INTERSECTION STRIPING, PHASE II**
Contact: Dave Arvey, 388-4478
• Striping intersections in the Fairbanks and North Pole area
- 13** **SHEEP CREEK CULVERT REPLACEMENT**
Contact: Dan Adamczak, 451-2294
• Replacing the non-functioning culvert at approximately MP 3 and rebuilding the curve at this location
- 14** **FMATS AREA SURFACE UPGRADES 2016**
Contact: John Chamberlain, 590-7636
• Performing preventative maintenance activities on roads and paths throughout Fairbanks and North Pole, including Turner Street, Rickert Street, Marshall Drive, Panorama Drive, Heather Drive, and Hans Way in Fairbanks and Doughchee Avenue, 5th Avenue path, Blanket Boulevard path, and Snowman Lane path in North Pole

NORTHERN REGION

14

PILOT STATION AIRPORT RELOCATION

- Contact: Neil Strandberg, 304-2394
- Constructing a new runway and safety area, taxiway and safety area, apron and support area, and snow removal equipment building; installing airport lighting; constructing an access road and overhead power line extension

15

NOME SEA STORM PERMANENT REPAIRS

- Contact: Tony Cox, 304-1626
- Repairing road surface; reconstructing damaged turnout and beach access ramps; replacing riprap protection at damaged sites on Council Road and Front Street

16

NOME COUNCIL ROAD MP 15-33 EMERGENCY REPAIRS

- Contact: Tony Cox, 304-1626
- Repairing damage from the November 2013 storm event at four sites

17

NOME SNAKE RIVER BRIDGE STAGE II

- Contact: Matthew Culley, 304-2723
- Installing highway lighting and improving intersection for turning movements

18

NOME COUNCIL ROAD SAFETY SOUND BRIDGE (#1127) CATHODIC PROTECTION

- Contact: Tony Cox, 304-1626
- Repairing/replacing cathodic protection on Safety Sound Bridge #1127

19

SHISHMAREF AIRPORT RESURFACING

- Contact: Vanessa Musich, 443-3424
- Rehabilitating and resurfacing runway, taxiway and apron; constructing pads and replacing panels for snow fence; replacing runway, taxiway and apron lighting

20

KOTZEBUE BRIDGE (#1690) PIER REPAIRS

- Contact: Neil Strandberg, 304-2394
- Repairing a steel piling on Bridge #1690

21

AMBLER AIRPORT REHABILITATION

- Contact: Blaine Galleher, 304-1854
- Widening, rehabilitating and extending the main runway; rehabilitating the crosswind runway, operational surfaces, apron and safety area; rehabilitating the airport access road and other improvements as funding allows

22

HUGHES AIRPORT GRAVEL SURFACE REPAIRS

- Contact: Neil Strandberg, 304-2394
- Resurfacing the existing aprons and portions of the connecting taxiway; providing drainage improvements

23

ROAD TO TANANA

- Contact: Frank Brassart, 378-4424
- Constructing the last 4 miles of new road; end result of the project will be a 33.4 mile single-lane gravel road beginning at the Tofty Road terminus and extending to the south banks of the Yukon River, approximately 6 miles from the City of Tanana

24

BLOWBACK CREEK BRIDGE REPLACEMENT

- Contact: Scott Woster, (307) 340-1687
- Replacing the Blowback Creek Bridge located at MP 9.4 Tofty Road; raising the approach grade of the adjacent road

25

MANLEY AIRPORT SNOW REMOVAL EQUIPMENT BUILDING/SHOP

- Contact: Lee Santoro, 451-5424
- Constructing a new combined highway maintenance facility and airport snow removal equipment building

26

DEADHORSE ARFF BAY ADDITION WITH SAND STORAGE, STAGE II

- Contact: Lee Santoro, 451-5424
- Constructing a new building addition at the Deadhorse Airport; two double-bay equipment bays, dormitory and a sand storage bay will be constructed over an existing foundation

27

DALTON HIGHWAY MP 397 to 415.2 RECONSTRUCTION

- Contact: Greg Browning, 957-1331
- Reconstructing the highway to include raising the grade, replacing culverts and surfacing the road

28

DALTON HIGHWAY MP 379 TO 397 RECONSTRUCTION

- Contact: Madriena Bradley, 322-5953
- Reconstructing the highway with improvements that include raising the grade, replacing all culverts and surfacing the road

29

COLDFOOT AIRPORT IMPROVEMENTS

- Contact: Sig Strandberg, 443-1434
- Resurfacing all operational surfaces and installing new lighting; clearing brush and trees that obstruct airspace

30

ELLIOTT HIGHWAY MP 107.7-120.5 RECONSTRUCTION

- Contact: Bob Farneski, 590-3650
- Reconstructing the Elliott Highway from MP 107.7 to 120.5

31

PARKS HIGHWAY MP 321 SPEED FEEDBACK SIGN

- Contact: Lauren Staff, 322-7625
- Installing a radar speed feedback sign near Parks Highway MP 321.6 and replacing signs impacted by this installation

32

PARKS HIGHWAY MP 287 & 314 REST AREAS

- Contact: Sarah Schlichting, 347-7772
- Constructing and installing rest areas on the Parks Highway near MP 287 and MP 314; installing signage for new and existing rest areas between MP 163 and 360

33

PARKS HIGHWAY BRIDGE DECK REHABILITATION

- Contact: Lucas Bowers, 347-3887
- Rehabilitating the decks of three bridges on the Parks Highway: Nenana River at Rex (#216), Tanana River (#202) and North Slough Tanana River (#201)

34

PARKS HIGHWAY MP 239-241.5 ROCK SLOPE MITIGATION PROJECT

- Contact: Steve Oswald, (218) 576-6645
- Rock scaling and blasting; continuation of work from the Parks Highway MP 239-252 Rehabilitation Project

35

PARKS HIGHWAY SIGNING AND STRIPING

- Contact: Dave Arvey, 451-2621
- Updating striping and warning signs on the Parks Highway between Fairbanks and MP 174

36

PARKS HIGHWAY BROAD PASS MP 194 RAILROAD OVERCROSSING

- Contact: Dave Hetman, 768-2712
- Reconstructing approximately 1 mile of the Parks Highway and constructing a railroad overpass and bridge to cross the middle fork of the Chulitna River

37

PARKS HIGHWAY MP 192-194 RESURFACING

- Contact: Dave Hetman, 768-2712
- Reclaiming and repaving asphalt surface; replacing culverts and performing minor ditch improvements

38

RICHARDSON HIGHWAY BANNER CREEK BRIDGE

- Contact: Kyung Chi, 687-7368
- Replacing the Banner Creek Bridge (#0526) at MP 295 Richardson Highway

39

RICHARDSON HIGHWAY MP 235 RUBY CREEK BRIDGE

- Contact: Kyung Chi, 687-7368
- Replacing the Ruby Creek Bridge (#0594) at MP 235 Richardson Highway

40

DENALI HIGHWAY SEATTLE CREEK BRIDGE REPLACEMENT

- Contact: Tad Tomasic, 750-3541
- Replacing the Seattle Creek Bridge on the Denali Highway near MP 110

41

NORTHERN REGION ICE JAM FLOODING

- Contact: John Chamberlain, 590-7636
- Repairing damage to the roadway at selected sites; cleaning ditches to restore flow; replacing several culverts and installing erosion protection

42

GULKANA AIRPORT APRON AND TAXIWAY REPAVING

- Contact: Pat Shillinger, 388-9834
- Resurfacing the existing aprons and portions of the connecting taxiway; providing drainage improvements

43

BRIDGE MEMBRANE AND ASPHALT REPLACEMENT

- Contact: Brian Herning, 451-3018
- Replacing worn and/or deteriorating asphalt on bridges near the beginning of the Richardson Highway at MP 1, 16 and 37

44

NORTHERN REGION AVALANCHE GATES

- Contact: Travis Donovan, 590-4355
- Upgrading the avalanche gates, crash barriers and approach warning signs on the Richardson Highway at MP 12, 16 and 18 and on the Copper River Highway at MP 4.9 and 5.3; installing new avalanche gates, crash barriers and approach warning signs on the Copper River Highway at MP 4.7 and 5.6

45

VALDEZ RIVER ENCROACHMENT REPAIRS

- Contact: Travis Donovan, 590-4355
- Raising the grade at MP 6.5 Richardson Highway and stabilizing the embankment at MP 12.5

46

RICHARDSON HIGHWAY MP 2 IMPROVEMENTS

- Contact: Travis Donovan, 590-4355
- Constructing intersection and drainage improvements at the Richardson Highway/ Mineral Creek Loop Road T-intersection to accommodate truck traffic, including a cross culvert located on the west side of the T-intersection

47

RICHARDSON HIGHWAY MP 0-3.6 ASPHALT SURFACE REPAIRS

- Contact: Travis Donovan, 590-4355
- Replacing asphalt surface on the Richardson Highway at MP 0-3.6 and sections of Egan Drive, Ferry Way and Hazelet Avenue, including striping, drainage and lighting

48

COPPER RIVER HIGHWAY SIGNING AND STRIPING

- Contact: Brian Herning, 451-3018
- Updating striping and warning signs on the Copper River Highway between route beginning and Bridge No. 339

49

GOOSE MEADOWS CULVERT REPLACEMENT

- Contact: Brian Herning, 451-3018
- Replacing the existing Goose Meadows culvert at MP 20.1 Copper River Highway with a new, larger diameter fish-pass arch

50

EDGERTON HIGHWAY LAKINA RIVER BRIDGE REPLACEMENT

- Contact: Jake Mills, (702) 630-4426
- Replacing the Lakina River Bridge (#1195) on the Edgerton Highway

51

TOK CUTOFF MP 17 TULSONA CREEK BRIDGE REPLACEMENT

- Contact: Andy Pagel, 699-6446
- Replacing the Tulsona Creek Bridge (#1250) at MP 17 of the Tok Cutoff

52

TOK CUTOFF MP 75.6 SLANA RIVER BRIDGE

- Contact: Joe Forrest, 378-6565
- Replacing Slana River Bridge (#0654) on the Tok Cutoff at MP 75.6; raising profile grades; paving existing pullouts; replacing signs, culverts and guardrail

53

TOK CUTOFF MP 104 TOK RIVER BRIDGE REPLACEMENT

- Contact: Mike Morris, 347-9249
- Replacing the Tok River Bridge (#0663) on the Tok Cutoff; replacing damaged culvert at Tok River Overflow (South)

54

ALASKA HIGHWAY SIGNING AND STRIPING

- Contact: Boyd Brownfield, 590-3641
- Updating warning signs, speed limit signs, and striping on the Alaska Highway between the Canadian border (MP 1222.5) and Delta Junction (MP 1420)

55

ALASKA HIGHWAY MP 1354 TO 1365 REHABILITATION

- Contact: Jeremy Torres, 378-8519
- Rehabilitating the road surface on the Alaska Highway from MP 1354 to 1365; replacing drainage culverts as needed and rehabilitating bridges

56

TAYLOR HIGHWAY MP 64 TO 67

- Contact: Tyler Straub, 388-8214
- Rehabilitating, restoring and resurfacing Taylor Highway MP 64-67 and replacing the Chicken Creek Bridge (#1140)

57

TAYLOR HIGHWAY NEW WAYSIDES

- Contact: Tyler Straub, 388-8214
- Constructing two new waysides on the Taylor Highway: the Jack Wade Recreational Gold Panning Wayside between MP 82.5 and 85.5 and the Mosquito Fork Dredge Trailhead at MP 68.1
