

# 2018-2019 Public Involvement

Several public meetings, information kiosks, and presentations were conducted in 2018 and early 2019. A Public Open House was conducted in October 2018 to present and discuss the alternatives. Download a copy of the Open House posters here.

Be sure to sign up for project emails to be notified of the next Open House (anticipated this summer).

## Public Presentation Photos

On Thursday, October 11, 2018, the GARS project team hosted a Public Open House from 5:00 to 7:00 pm at Ryan Middle School in Fairbanks, Alaska.

Two information kiosks were held in Fairbanks at Fred Meyer and on the Fort Wainwright base.
