COMMENT SHEET

COMMUNITY ENGAGEMENT MEETING

MONDAY, JAN. 11, 2016

5-6:30 P.M.

TOK SCHOOL LIBRARY

We welcome written input and ideas from the public. Thank you for taking the time to be involved.

COMMENTS:

Flexibility in scheduling - Can't you give comp time when weather is good to bank those hours until you need them.

Signage - Why do we send people from hundreds of miles away (Fairbanks to Tok) to inspect our road signs.

Excessive (overkill) building projects - why do we need to spend nearly \$100,000 for an out house. Same with weigh stations -

maybe we need to put snow plows on school buses.
