

Area Businesses Meeting #1

October 9, 2014 at 10:00 a.m.

Alaska USA Financial Center - Conference Room 334
1292 Sadler Way
Fairbanks, Alaska 99701

Project Description

The Alaska Department of Transportation and Public Facilities (DOT&PF) is proposing to design and construct upgrades to the Old Steese Highway between Trainor Gate Road and the Johansen Expressway. The primary objectives of this state-funded project are to improve safety and capacity for both motorized and non-motorized traffic.

Above: The Old Steese Upgrade project area from the Johansen Expressway to Trainor Gate Road.

Project Schedule

Summer - Fall 2014	Survey and Preliminary Engineering
October 9, 2014	Area Businesses Meeting #1
November 2014	Open House #1 (Date TBD)
January 2015 - January 2016	Additional Business and Public Meetings (Dates TBD)
Spring 2015 - Spring 2016	Final Design and Permitting
2016	Construction

If you are unable to attend and/or would like additional information, please contact Rachel Steer, Public Involvement Manager for DOWL HKM, at (907) 374-0275 or rsteer@dowlhkm.com.

As businesses adjacent to the project corridor, your input and involvement in the project is especially important. Please attend and share your opinions and concerns with the project team. Early in the project is the best time to share your comments and help the project team understand the issues. A presentation describing the project and the initial engineering efforts will begin at 10:00 a.m., followed by a question and answer segment.
