

AURORA DRIVE RESURFACING

The Alaska Department of Transportation and Public Facilities, in partnership with Exclusive Paving, is working to resurface Aurora Drive from Hanson Road to College Road. The existing asphalt will be removed, manhole and utility lids will be adjusted to match the new surface and the new pavement will be striped. Pedestrian facilities along Aurora Drive will be reconstructed. We will do our best to keep you informed as work progresses and appreciate your patience and cooperation during construction. This project is expected to be complete by October 31, 2016.

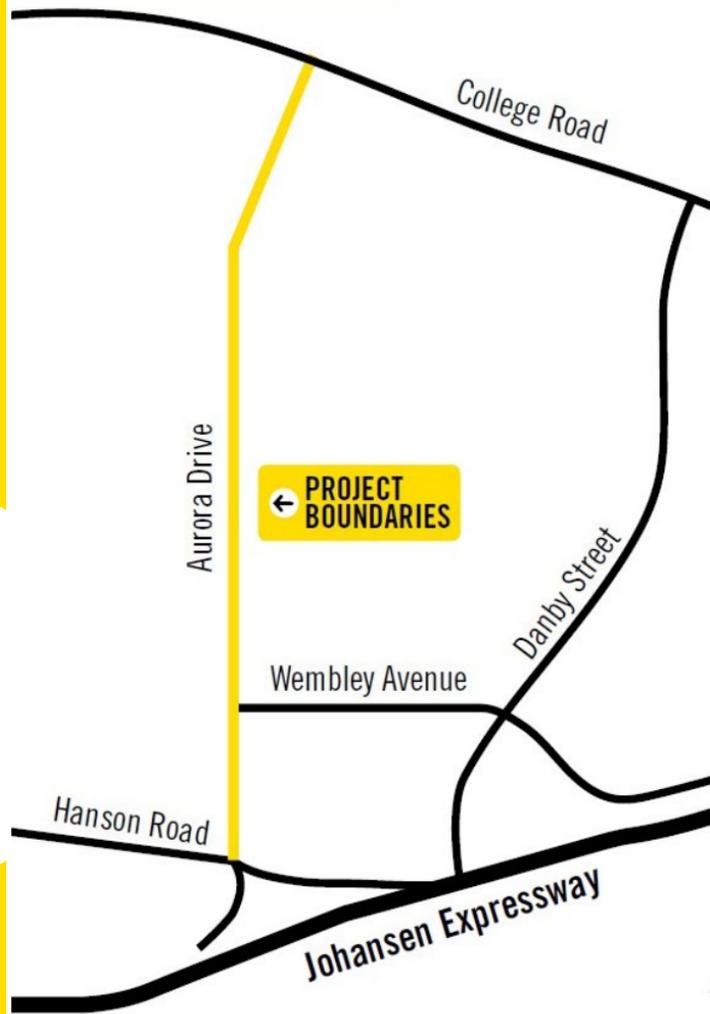

Planned Project Details:

- Work along Aurora Drive is currently scheduled to start in mid-August.
- During construction, drivers can expect PILOT CAR operations and DELAYS along Aurora Drive; pedestrians can expect intermittent sidewalk CLOSURES.
- Work is expected to take place Monday through Saturday, from approximately 7:00am to 6:00pm.
