

ROAD TO TANANA

The Alaska Department of Transportation, in partnership with Cruz Construction, is working to construct the last four miles of the new, 33.4 mile single-lane gravel road beginning at the Tofty Road terminus and extending to the south banks of the Yukon River, approximately 6 miles from the City of Tanana. We will do our best to keep you informed as work progresses and appreciate your patience and cooperation during construction. This project is expected to be complete by late August 2016.

Planned Project Details:

- Work is anticipated to start early June 2016.
- Please be aware, the road is **CLOSED** to public use until after the construction project is complete.
- This summer, the last four miles (near the bank of the Yukon River going east toward Manley) will be constructed.
