RE: HP 2016-002 HP2016-002 Wendell Street Bridge

Dear Ms. Schacher:

At its meeting of November 11, 2015, the Planning Commission recommended **approval** of the above referenced highway project.

For the purposes of the local review process, this project was classified as a non-significant, public hearing item. Projects in this classification with right-of-way acquisition are forwarded to the Assembly for final action. HP2016-002 has been tentatively scheduled to appear on the December 10, 2015 Assembly agenda as a consent agenda item.

Thank you for your cooperation and assistance during the review process. If you have any questions, please feel free to contact me at 459-1260.

Sincerely,
