STATE of ALASKA DEPARTMENT of TRANSPORTATION & PUBLIC FACILITIES

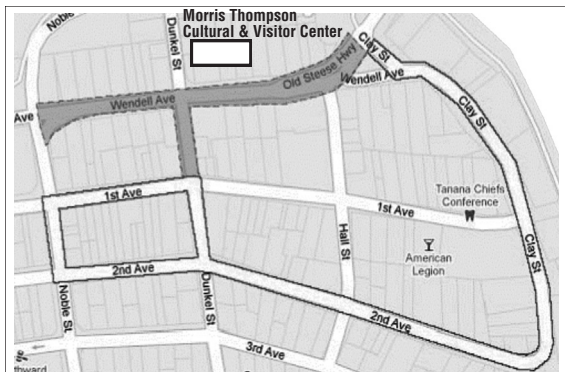

Wendell Avenue ADA Improvements OPEN HOUSE

Wednesday, April 27, 4:00–6:00 p.m.

Morris Thompson Center – 101 Dunkel

Pavement will be rehabilitated from Noble Street to Wendell Street Bridge. Work includes new asphalt, construction of sidewalks and ADA accessible ramps, drainage improvements and replacement of existing water and sewer mains and appurtenances on Wendell Avenue.

Project will start in early May, local access in the project area will be maintained.

Wendell Avenue Closure Map

Outline on streets indicates Detour route; Dark Gray indicates closure area
