

APPENDIX G

Refined Alignments over Topographic Mapping

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 1 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

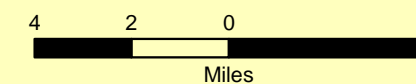

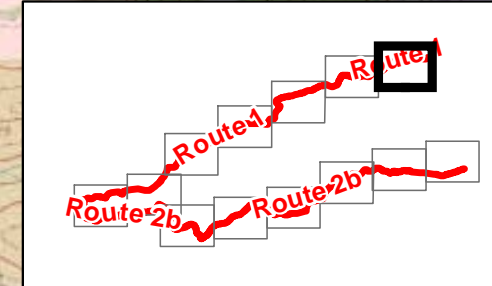

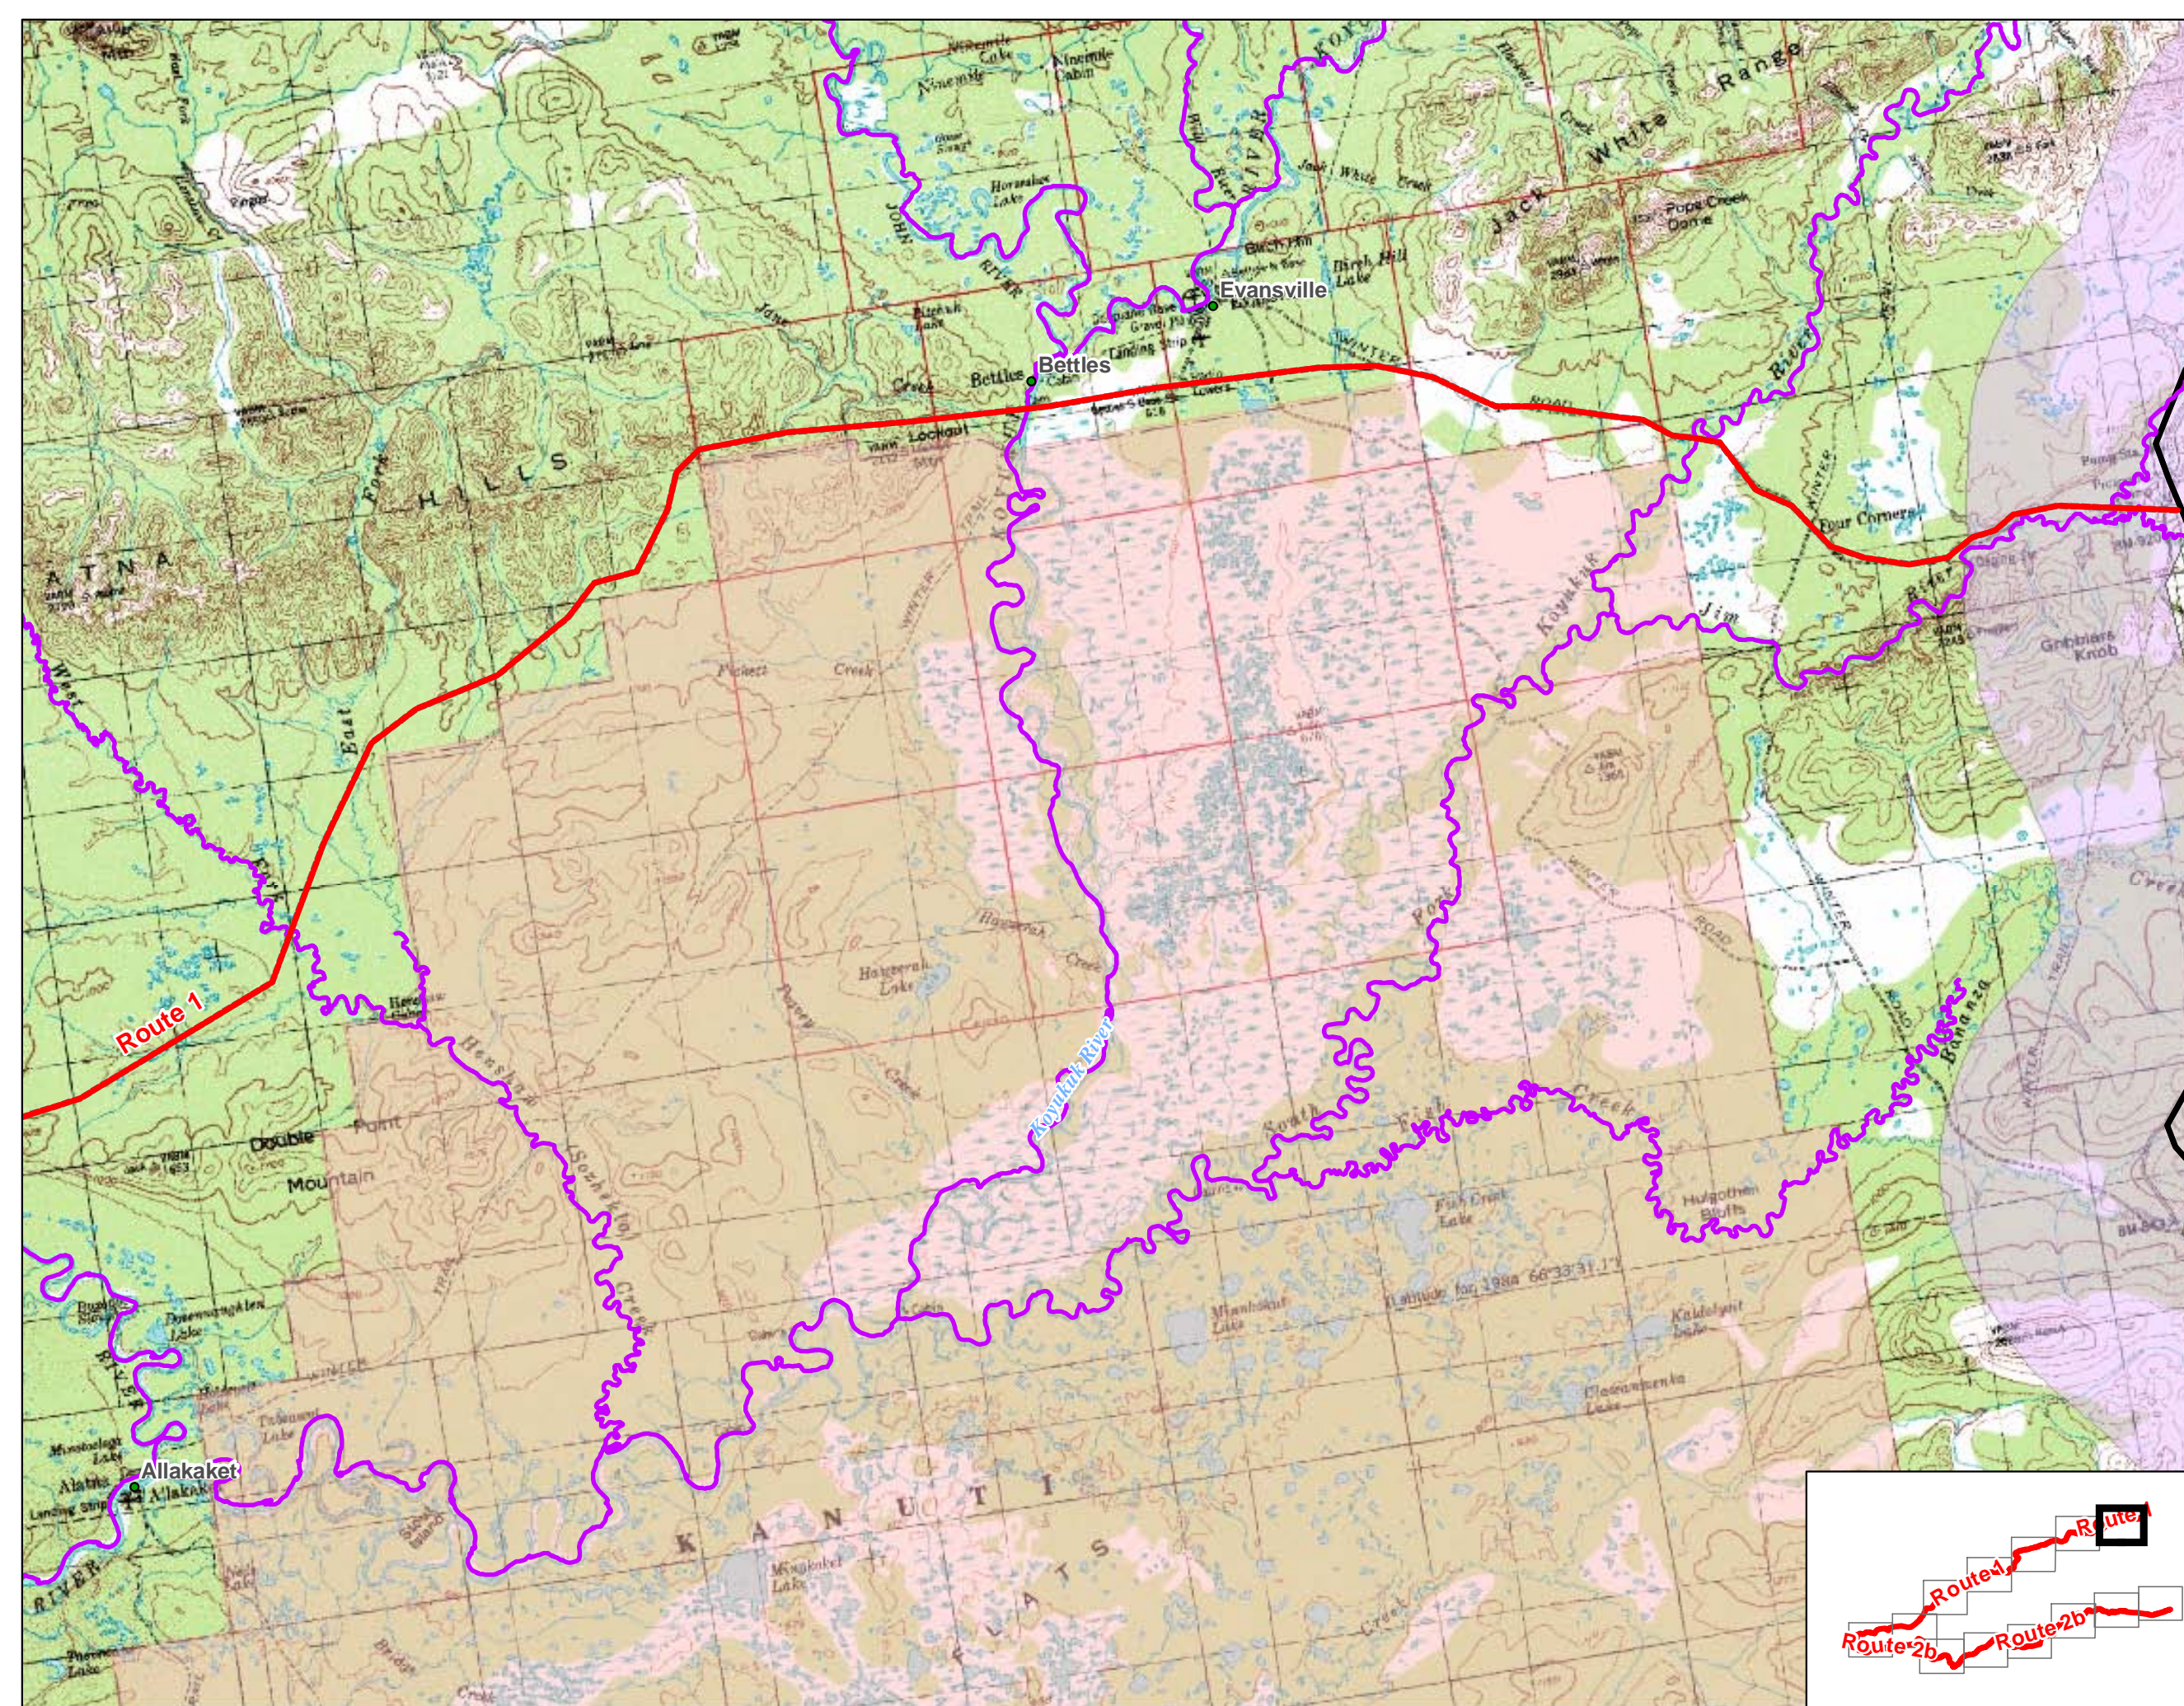

Figure G1

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 2 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

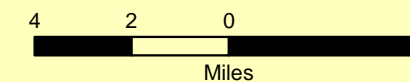

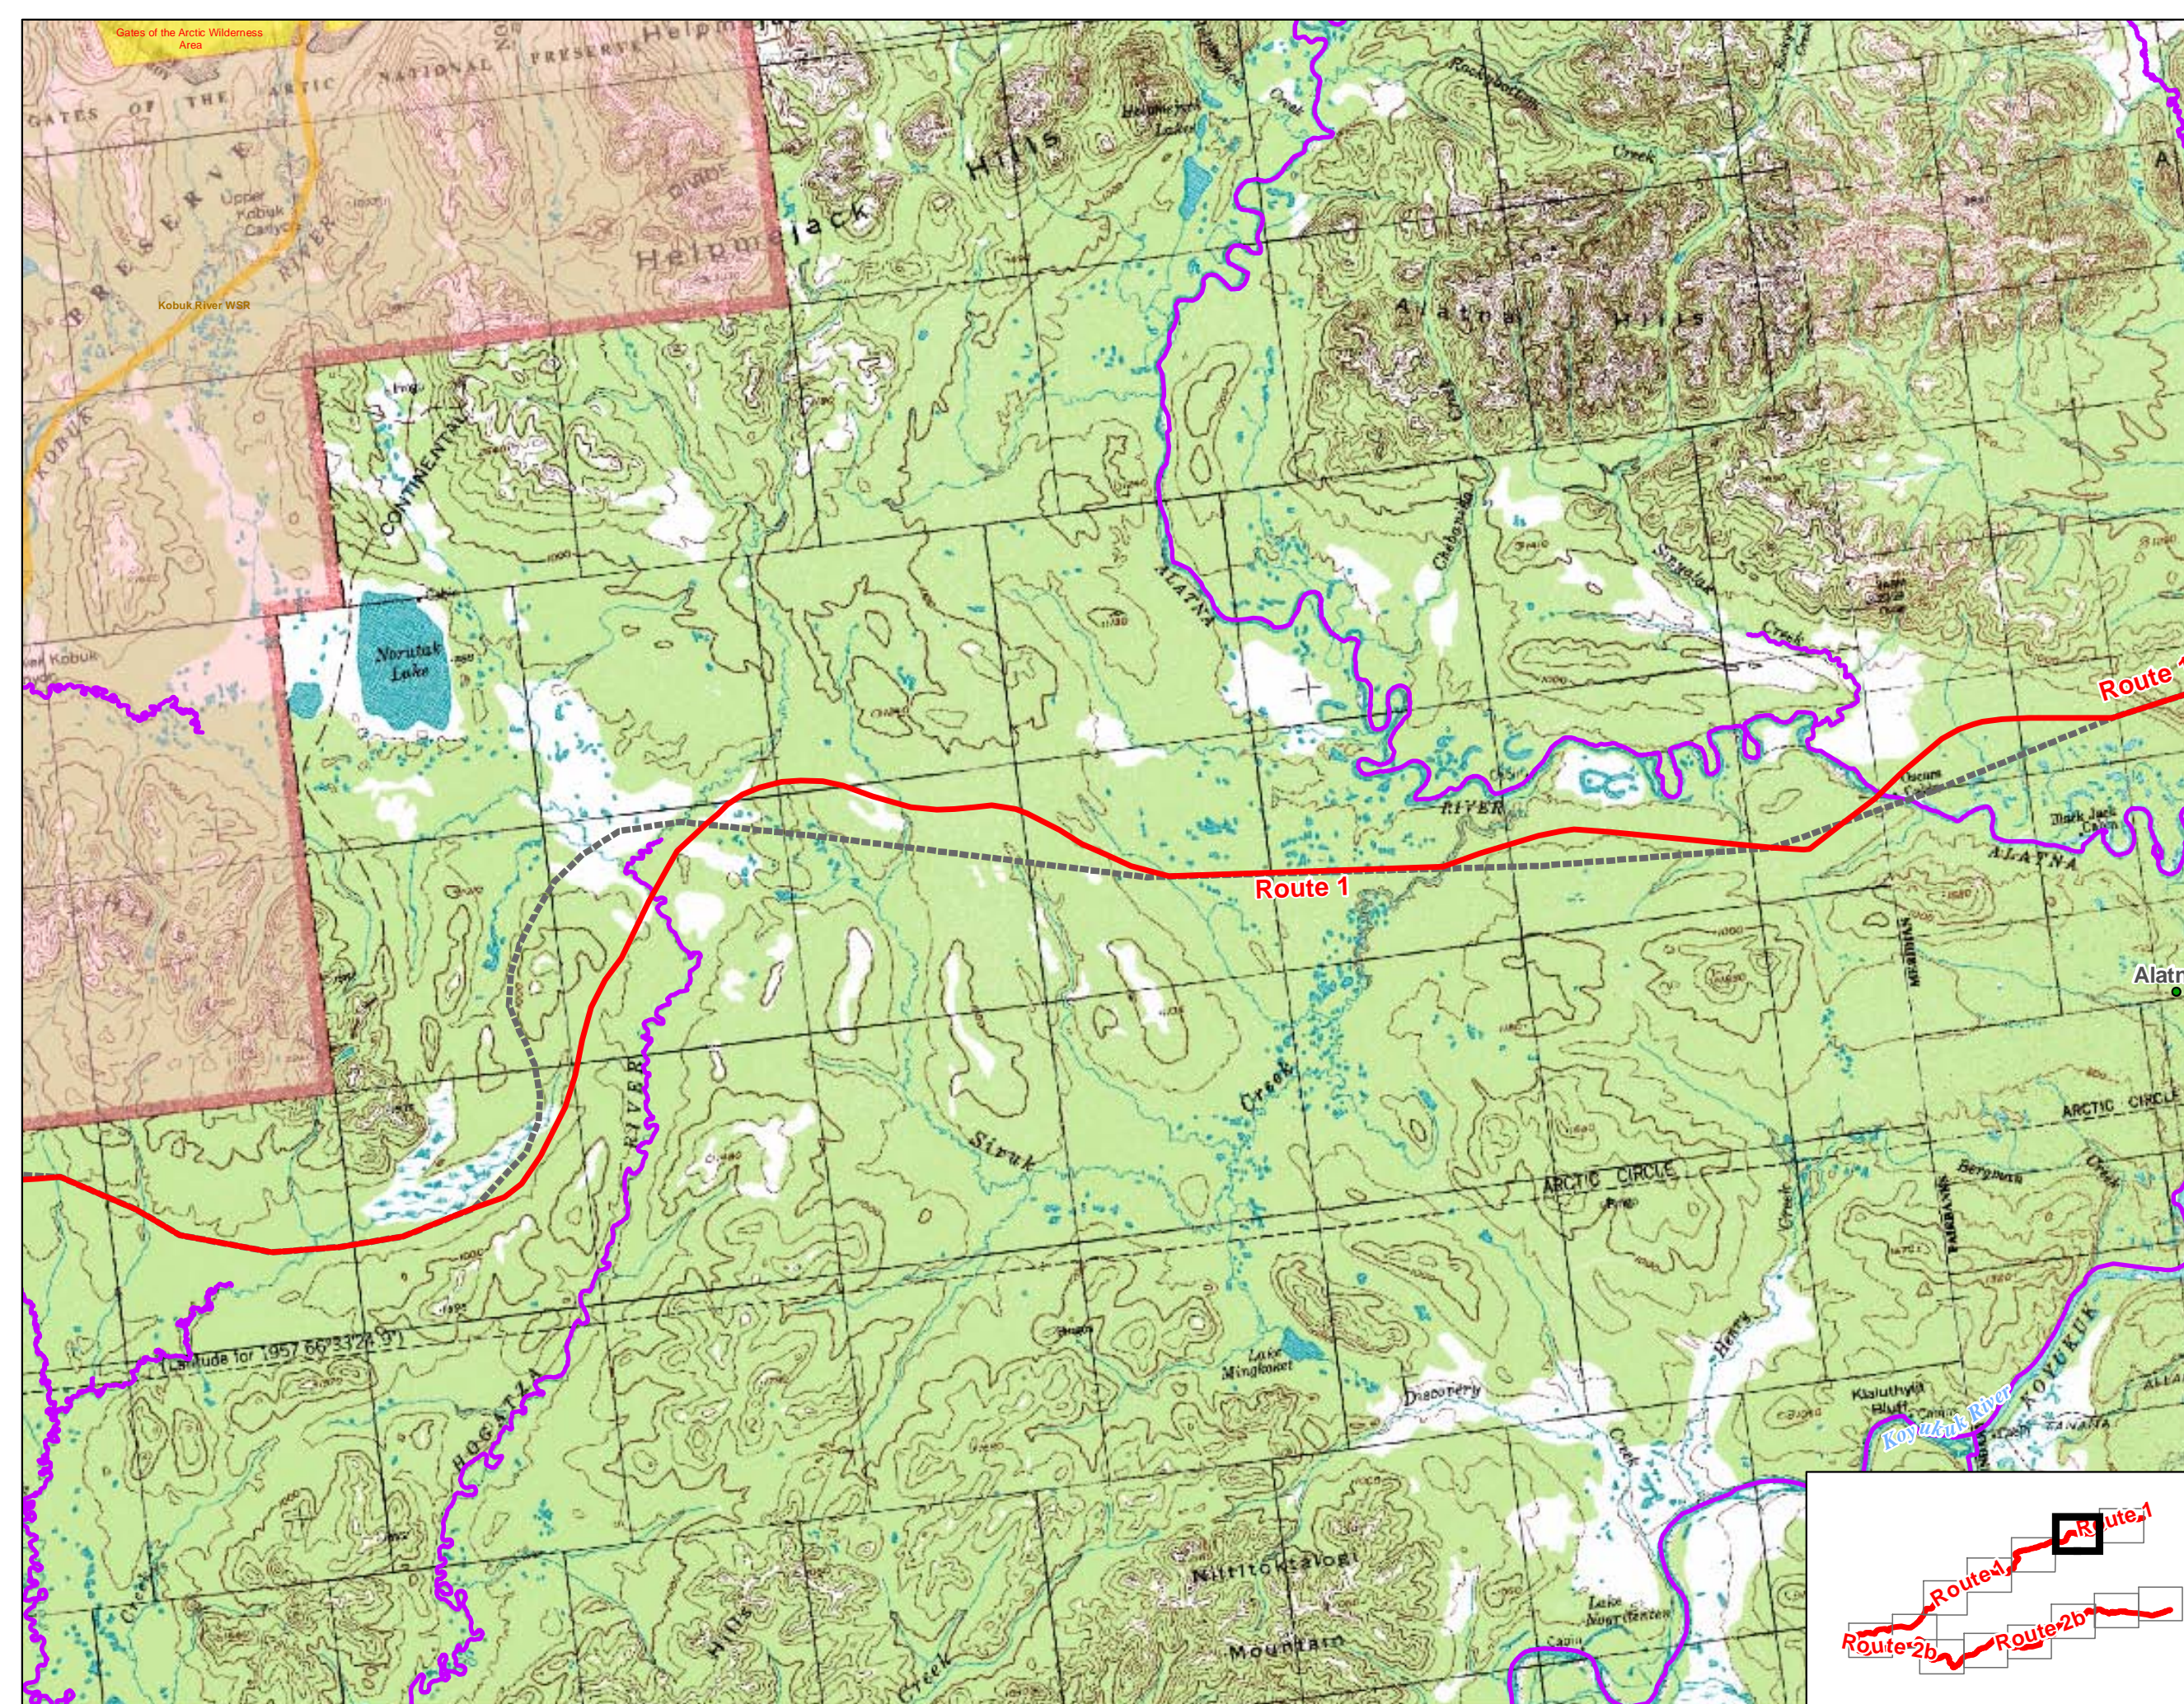

Figure G2

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 3 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

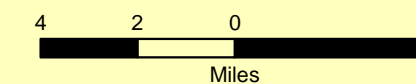

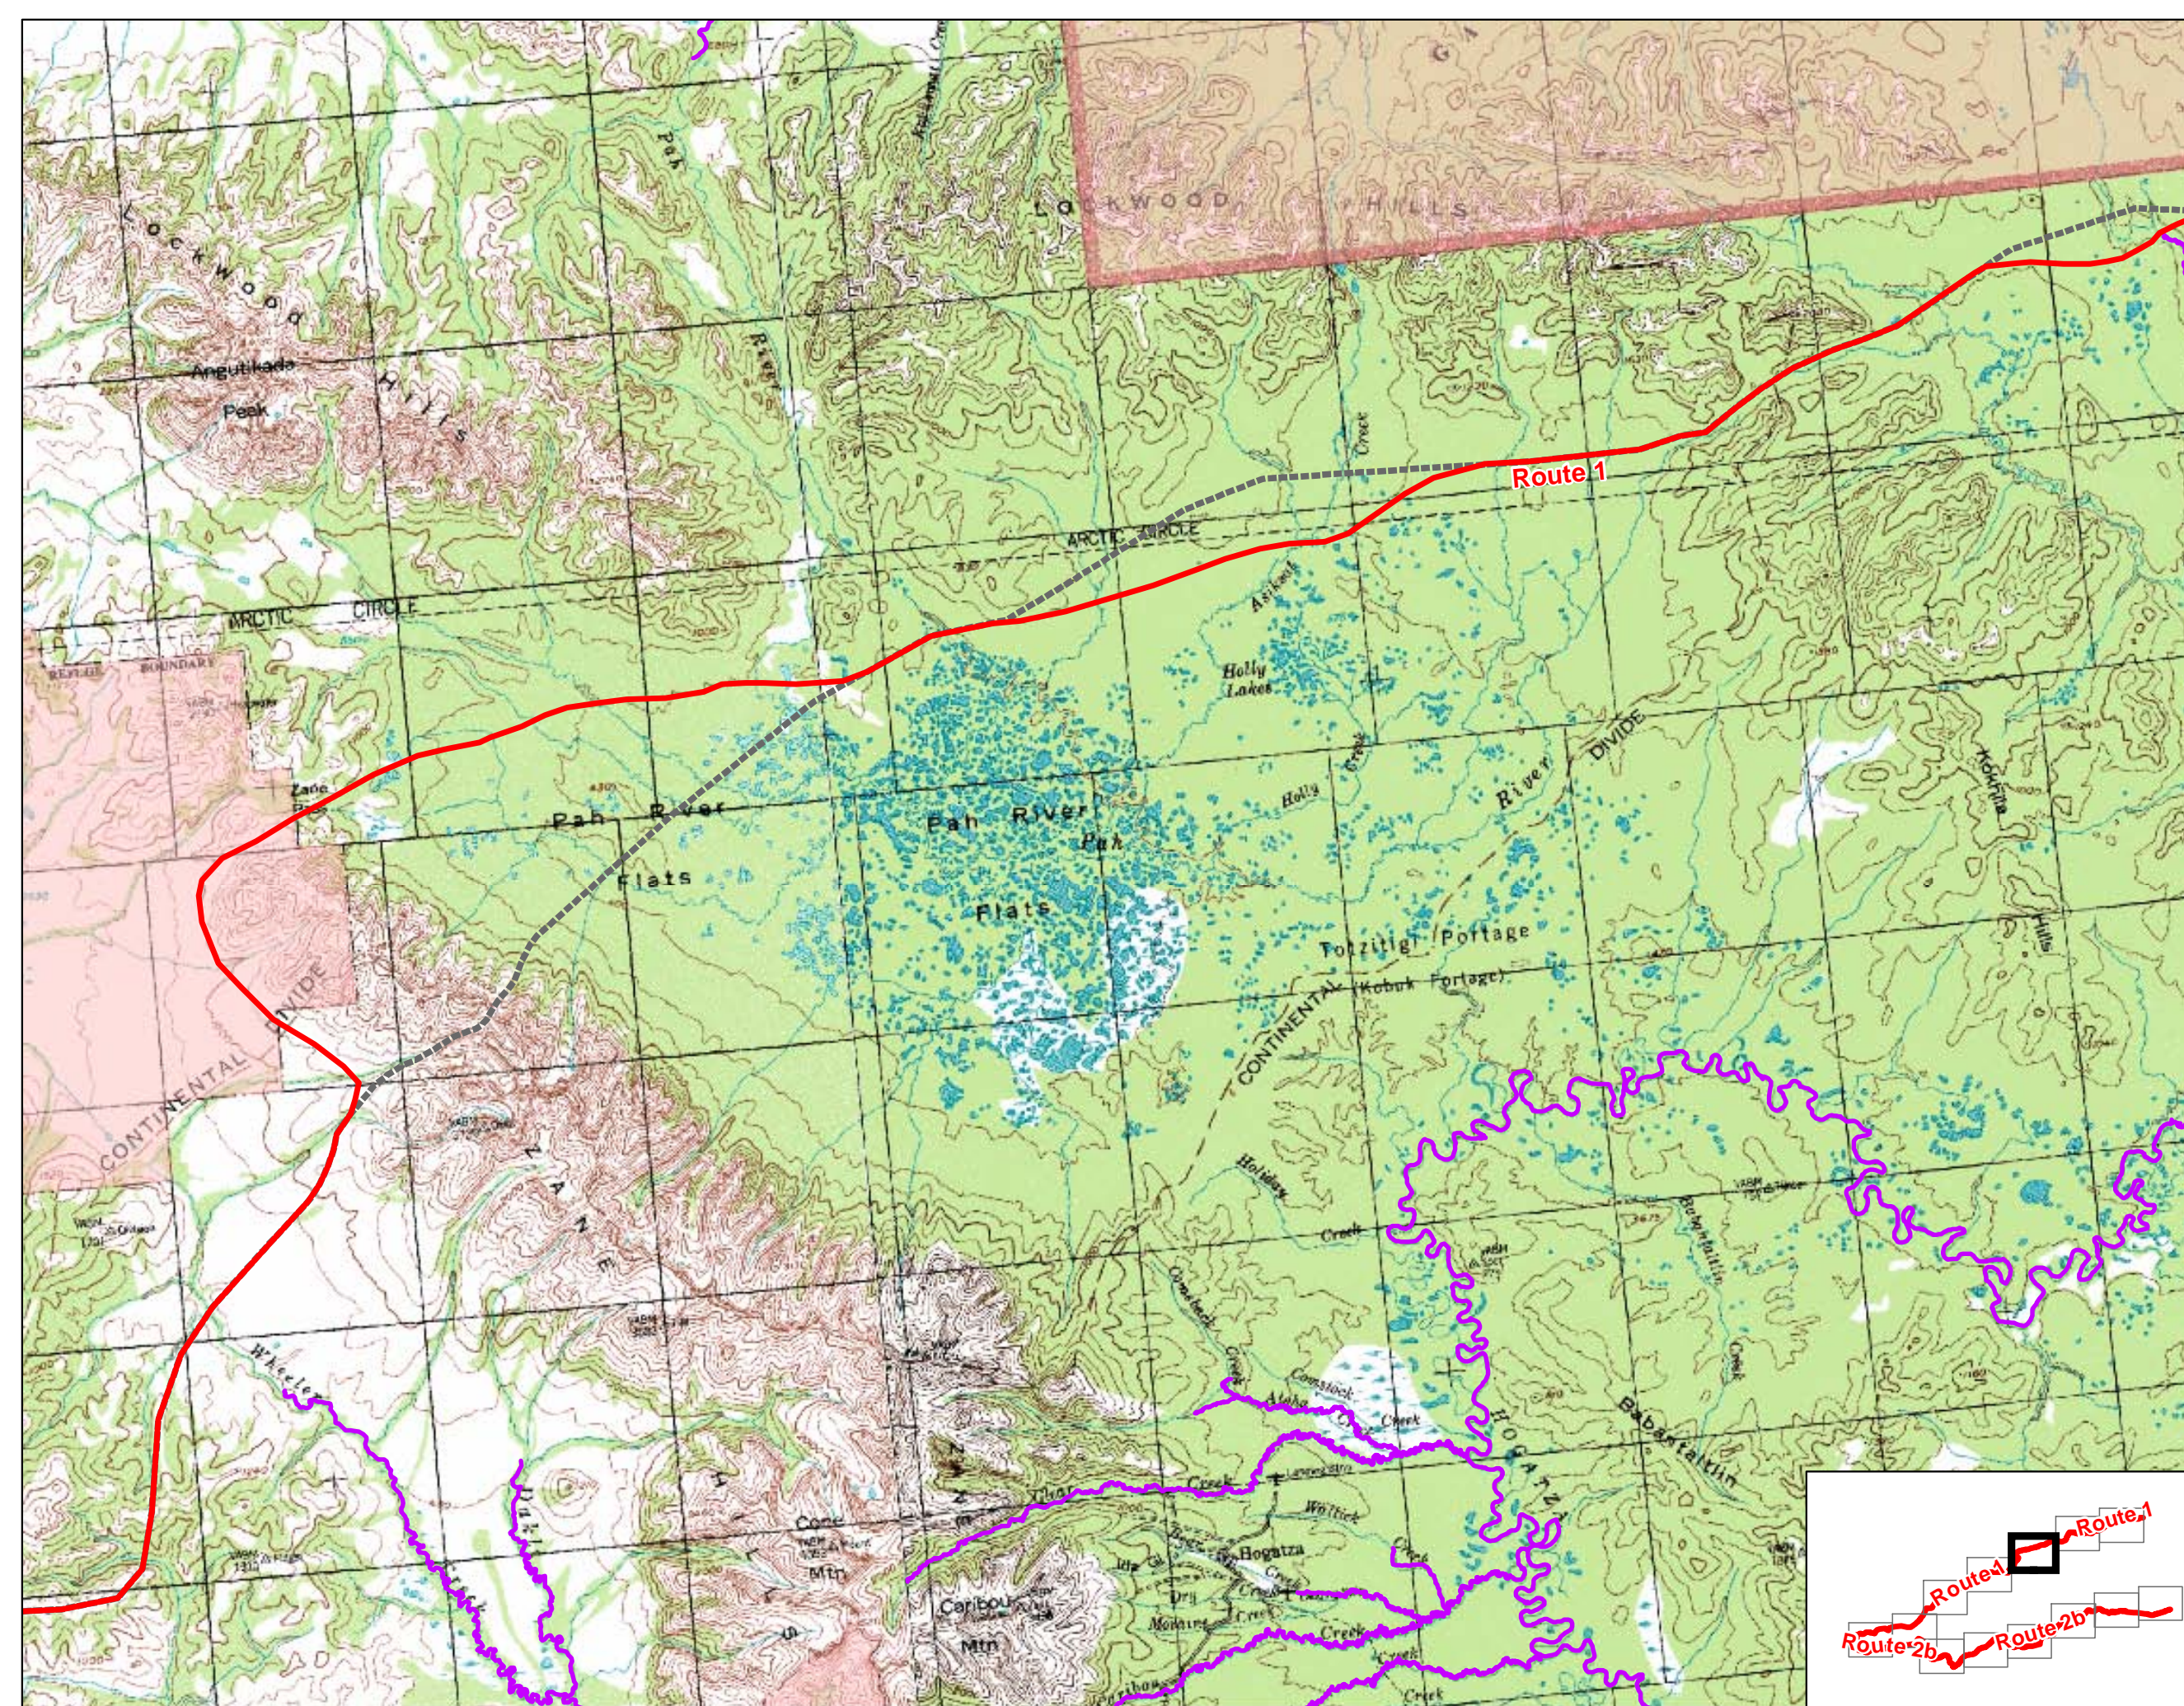

Figure G3

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 4 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

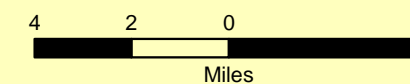

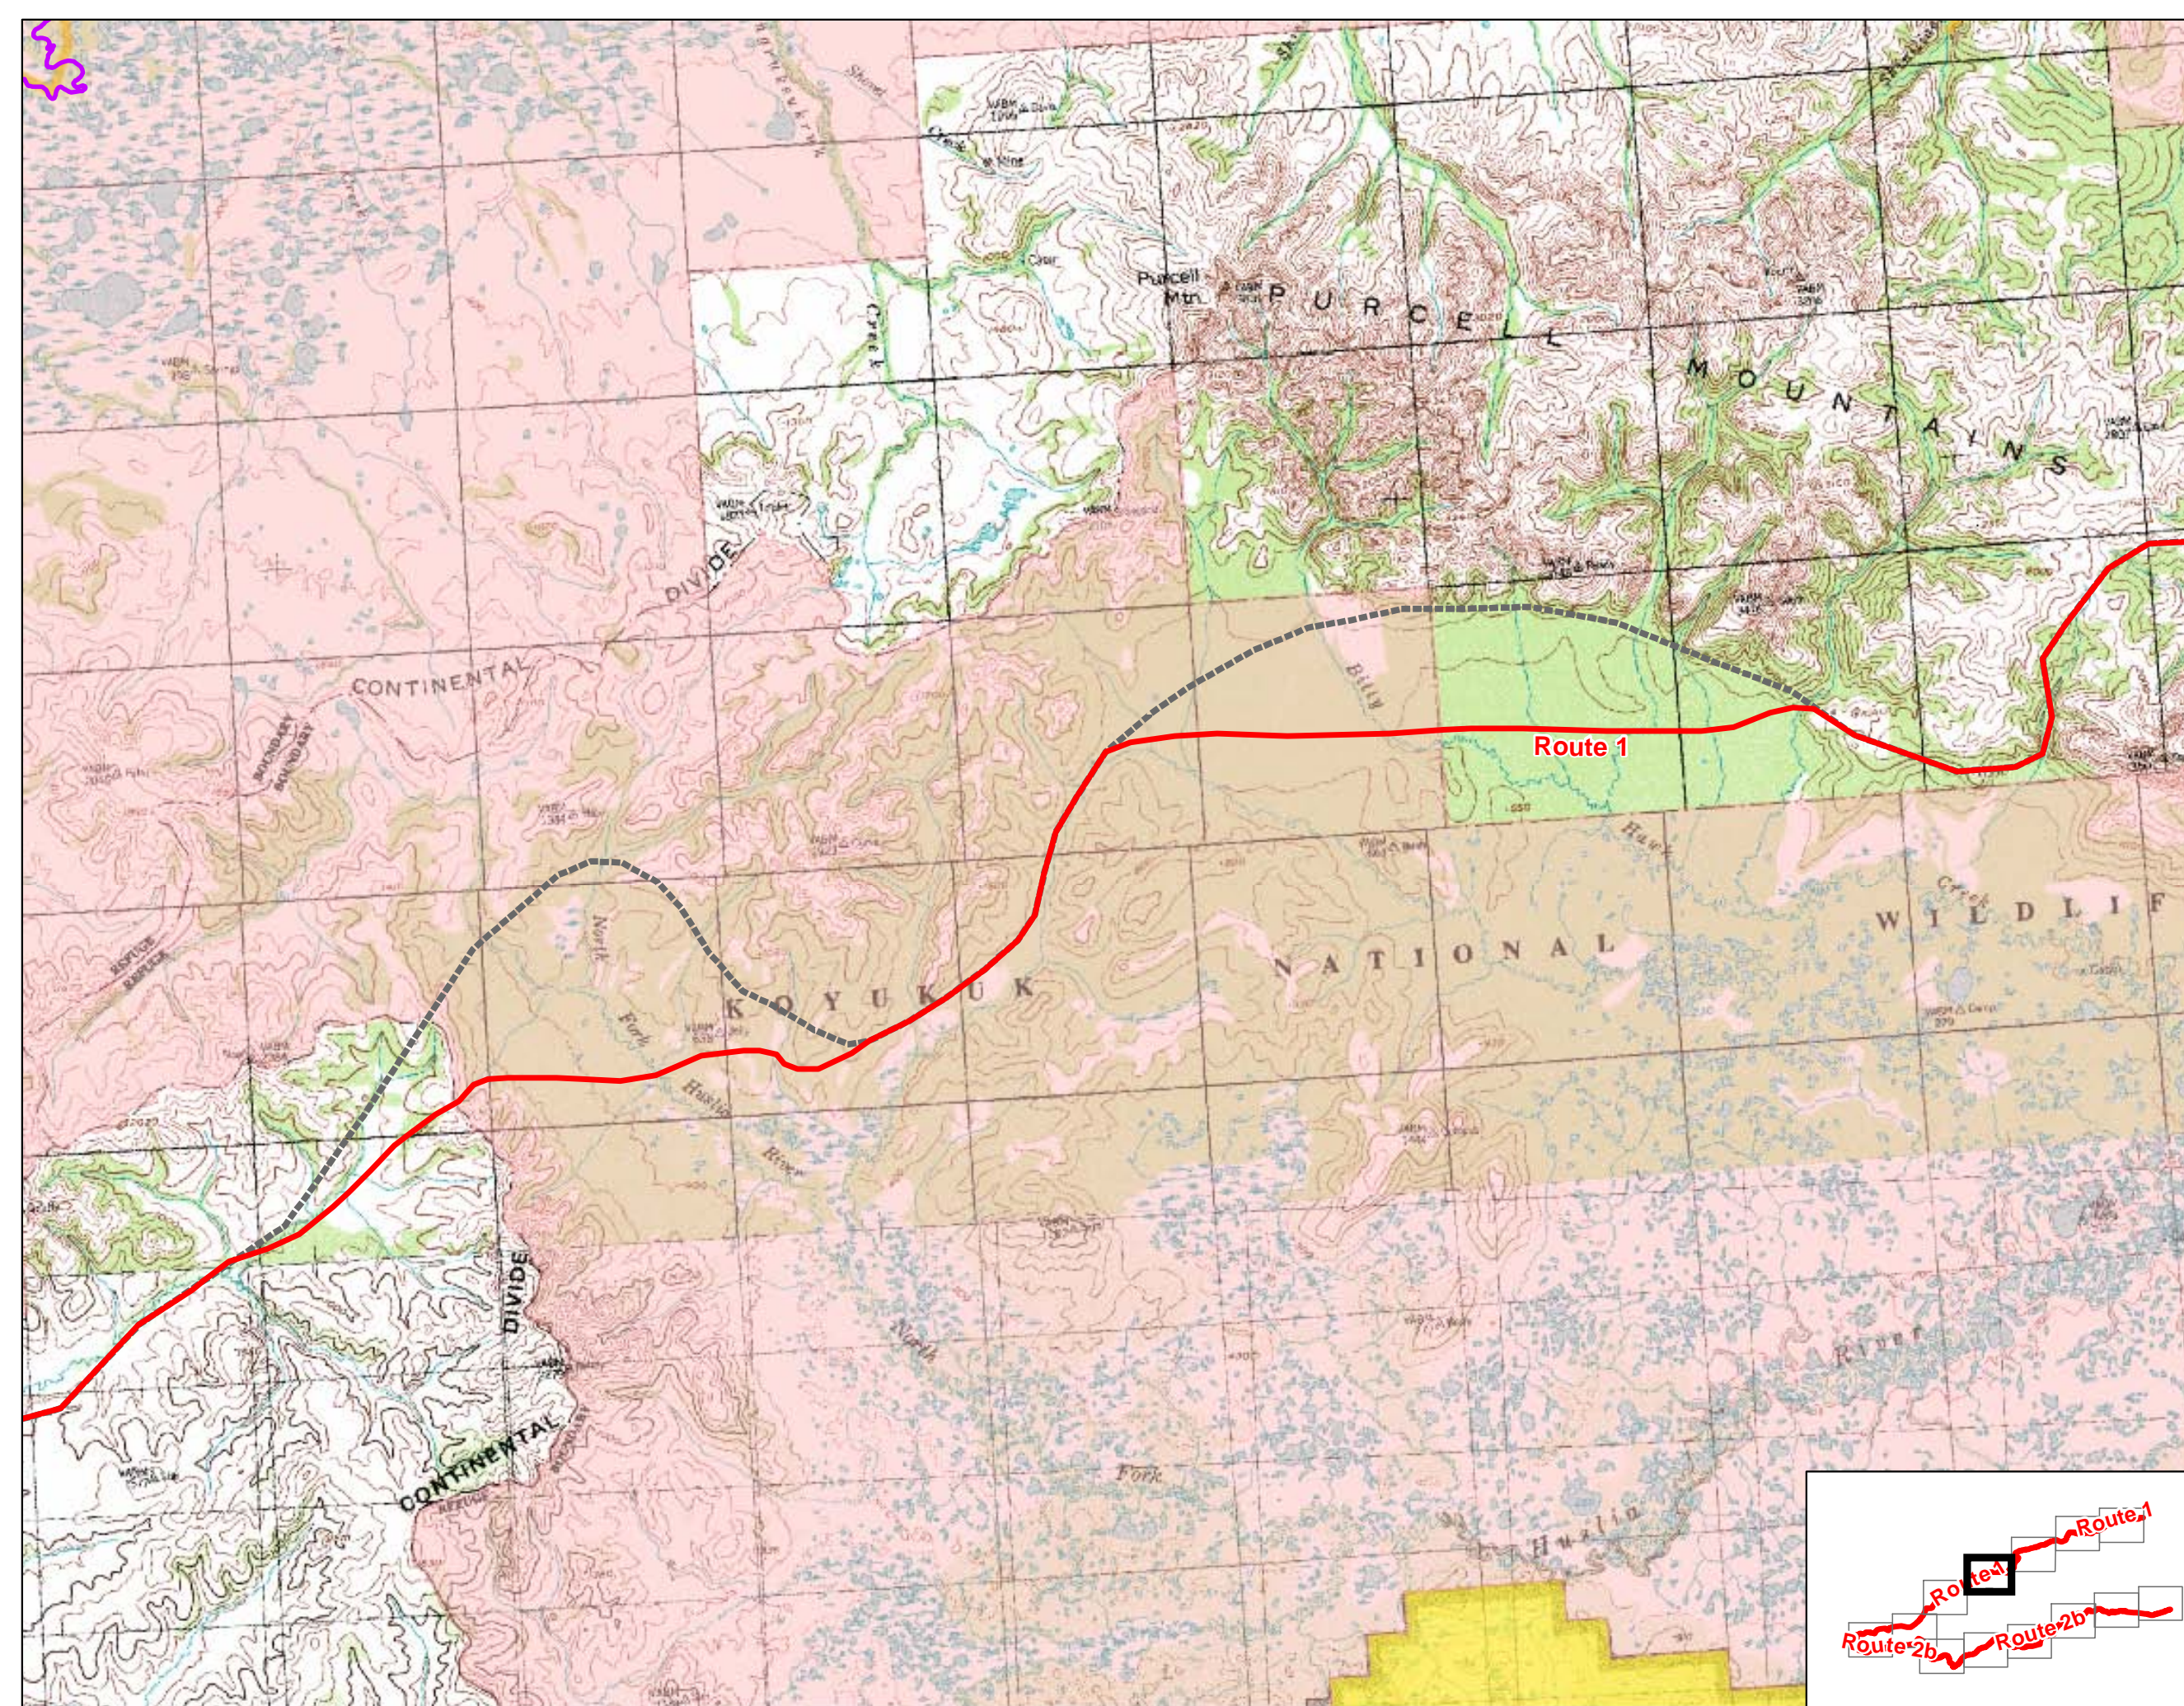

Figure G4

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 5 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

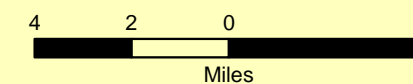

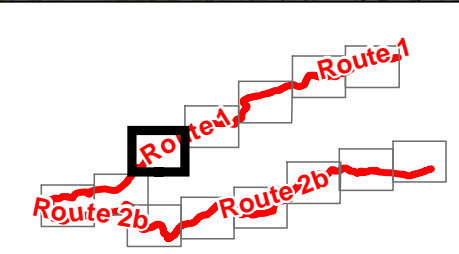

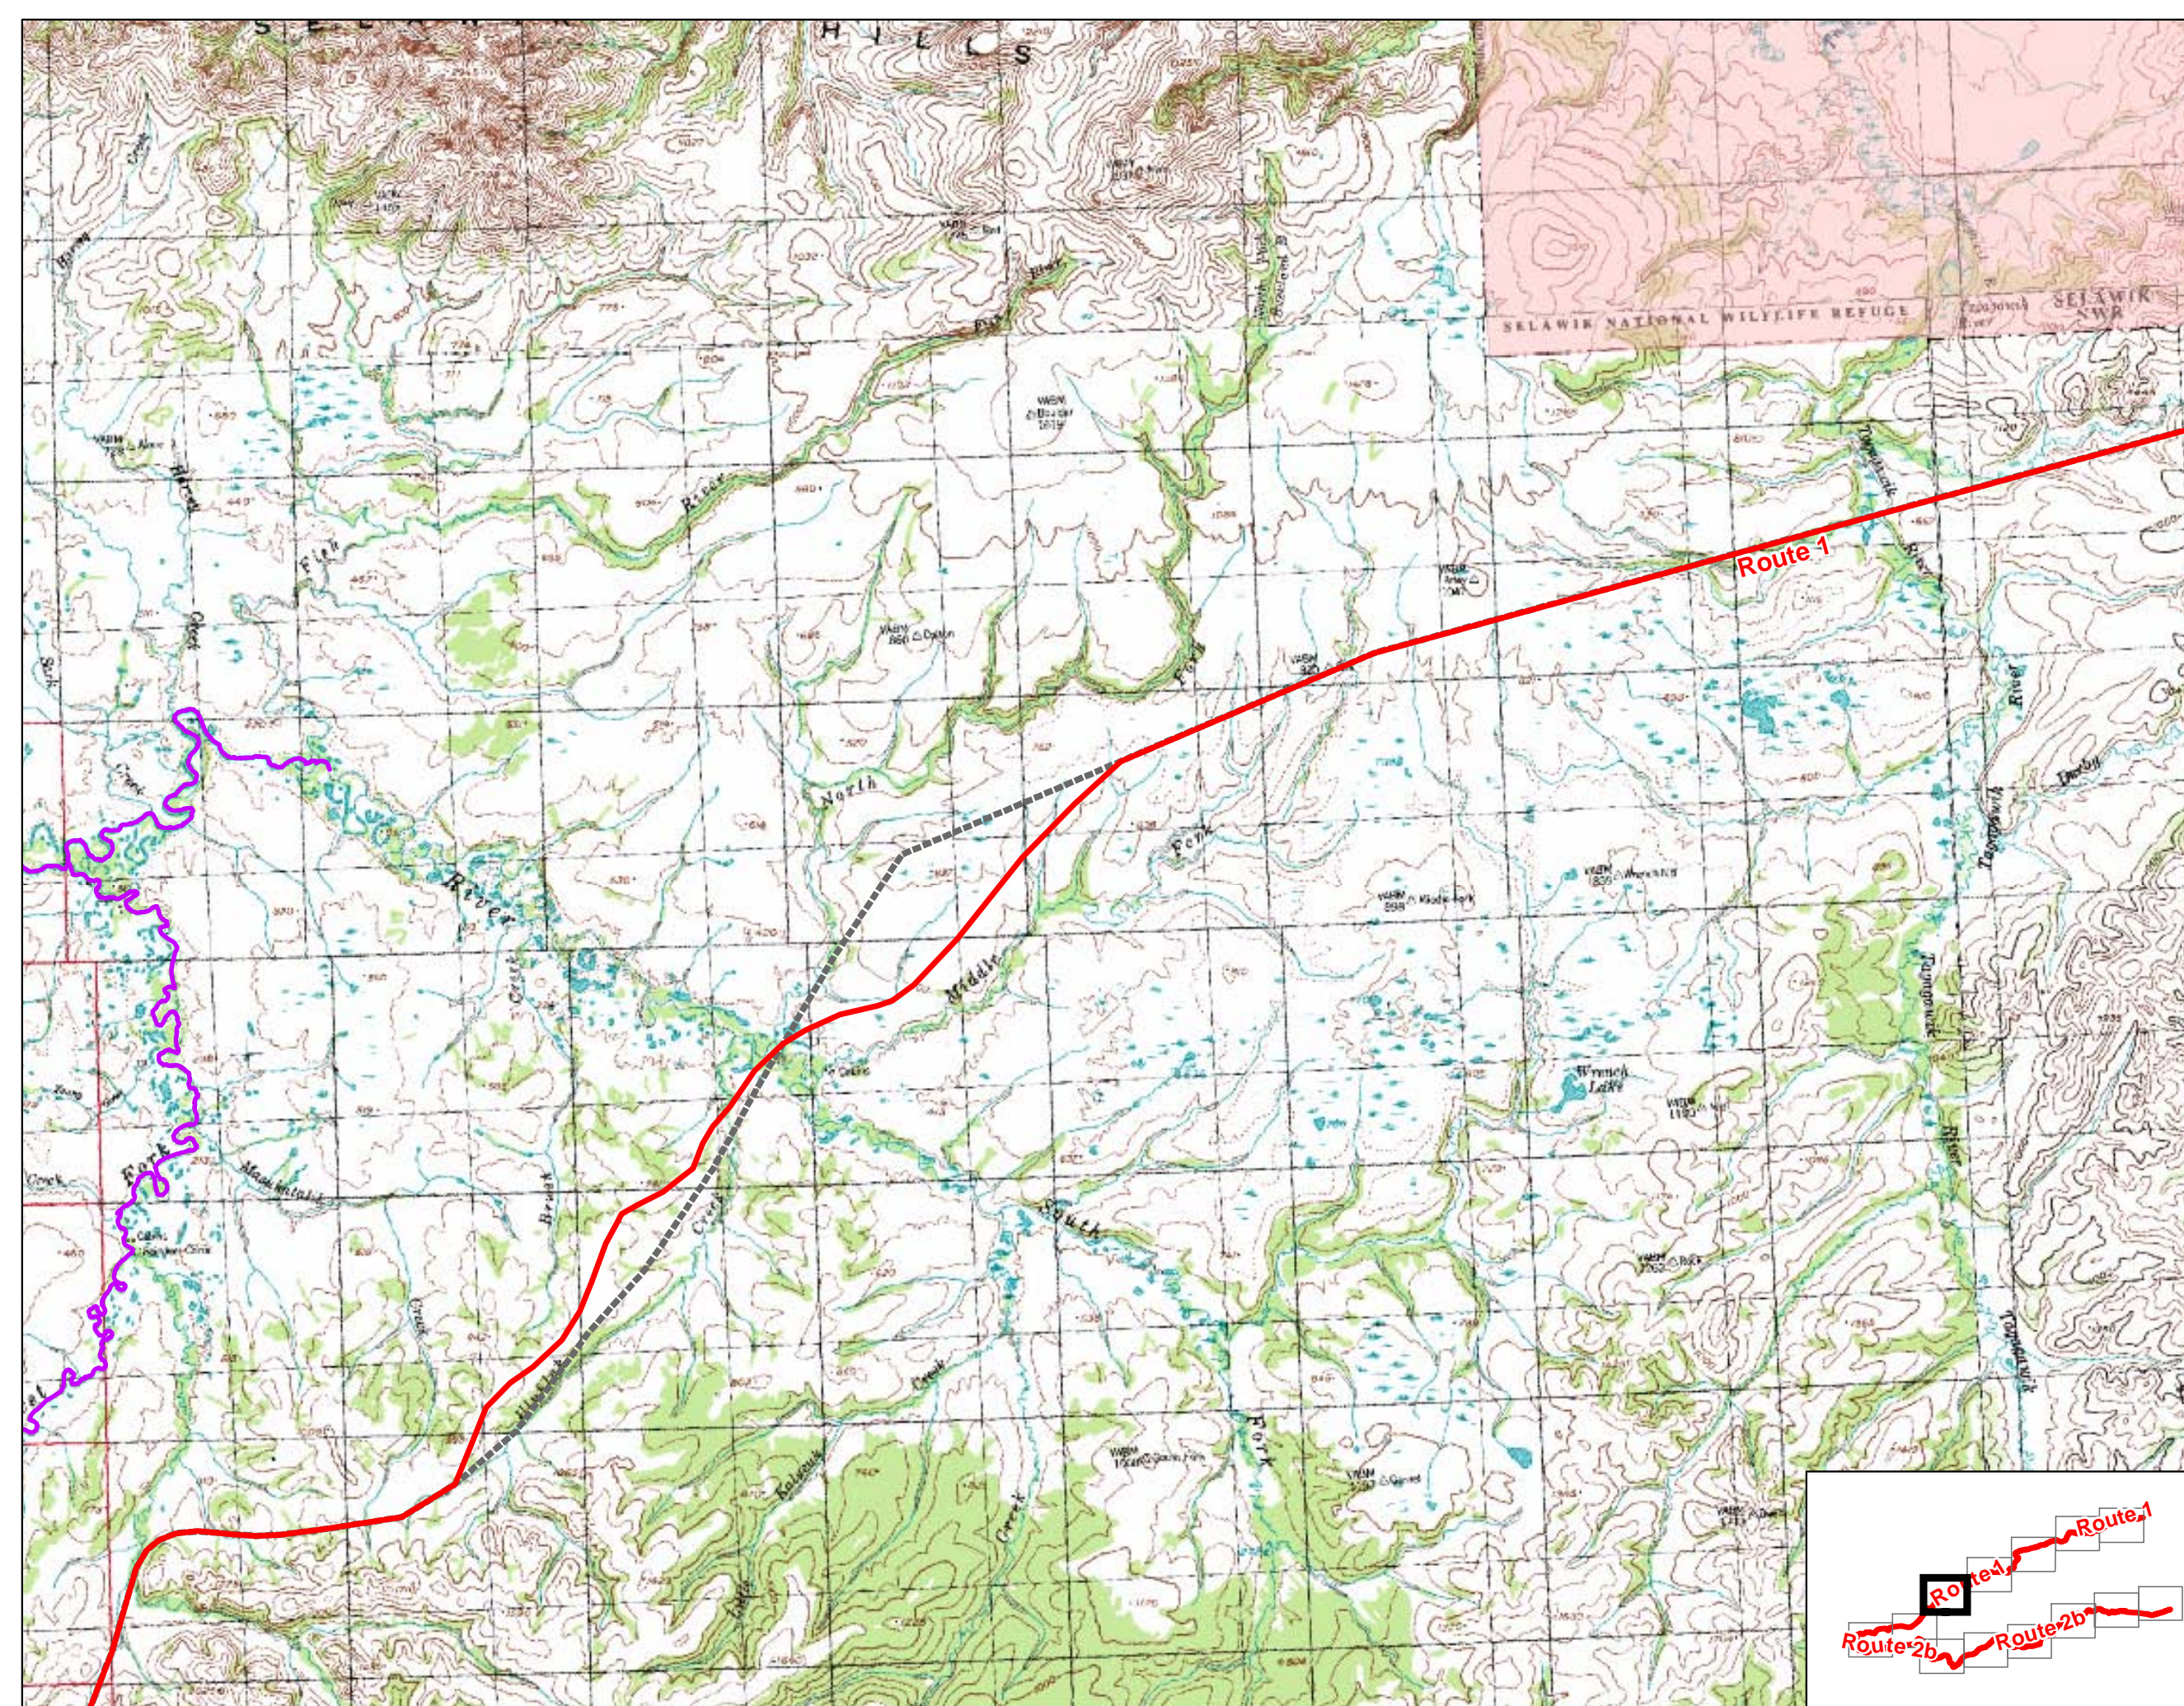

Figure G5

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 6 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

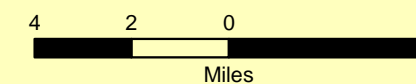

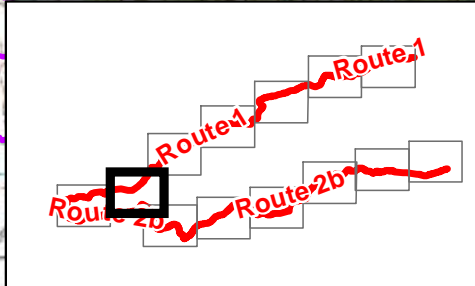

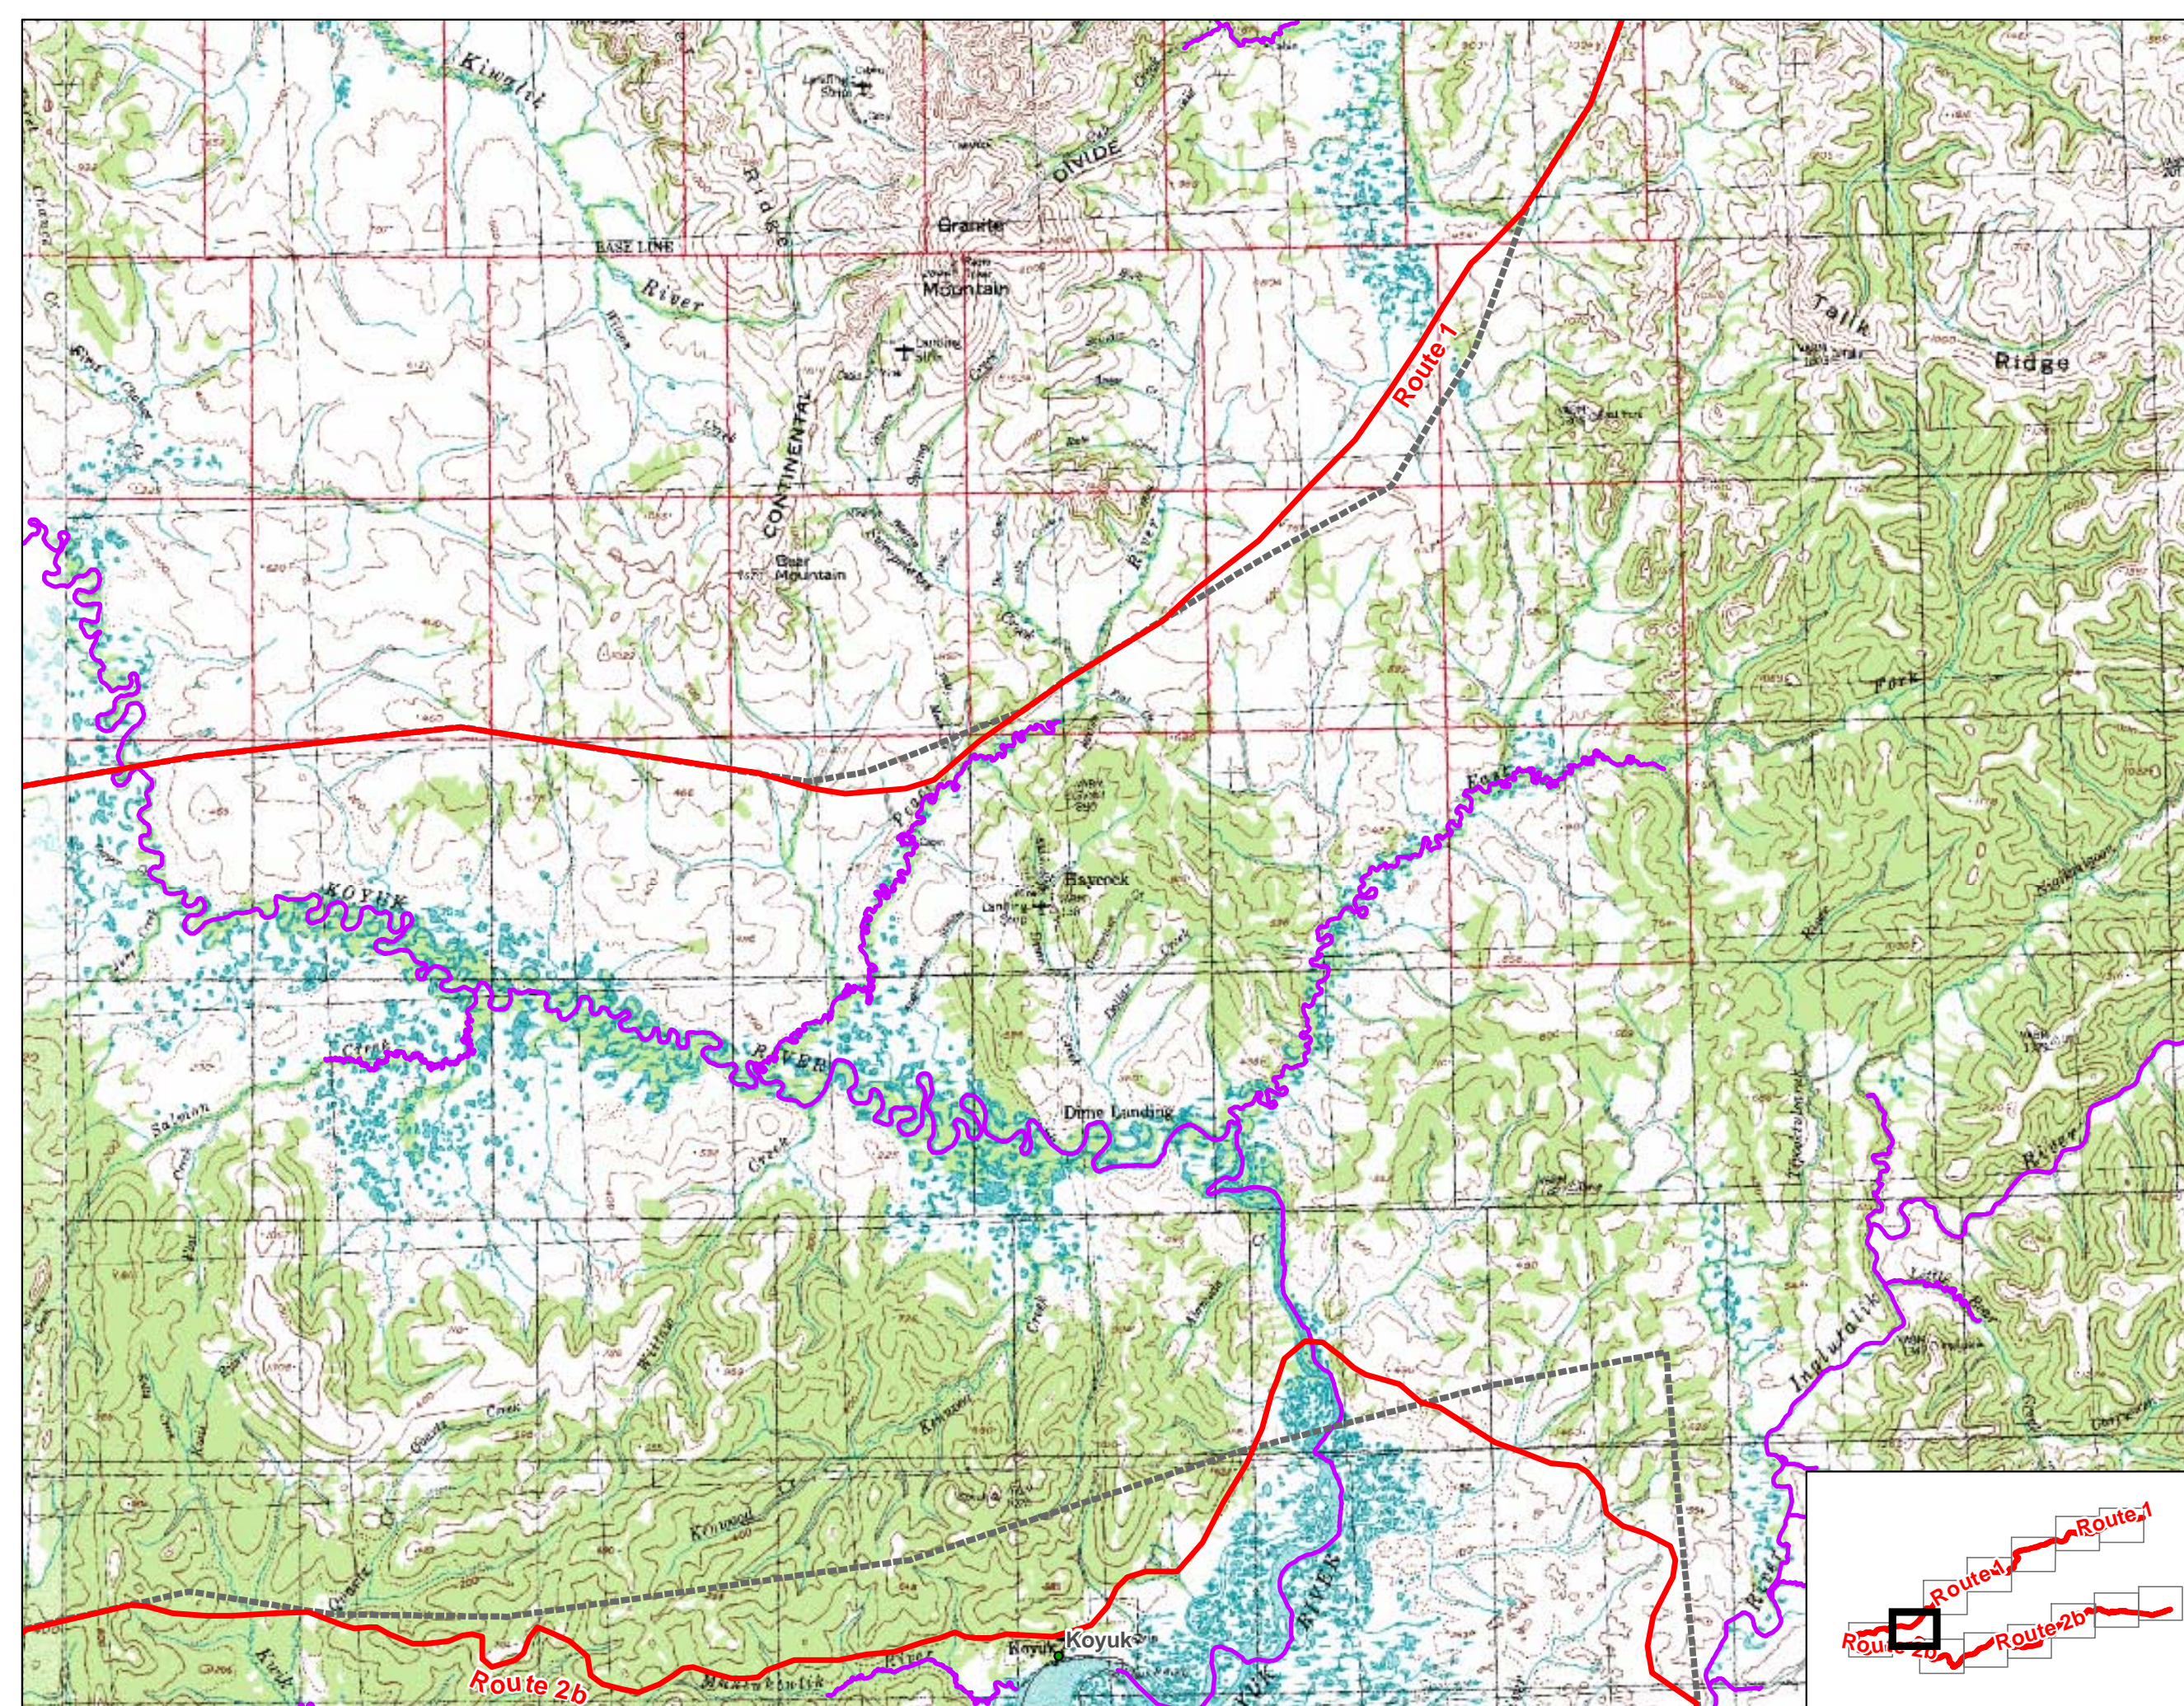

Figure G6

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 7 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

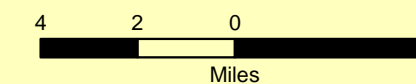

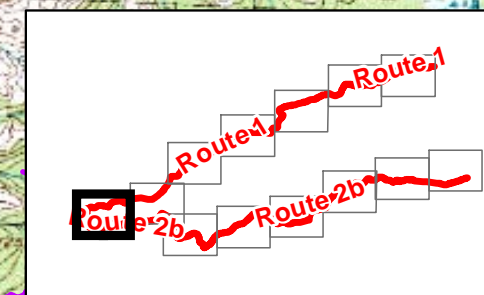

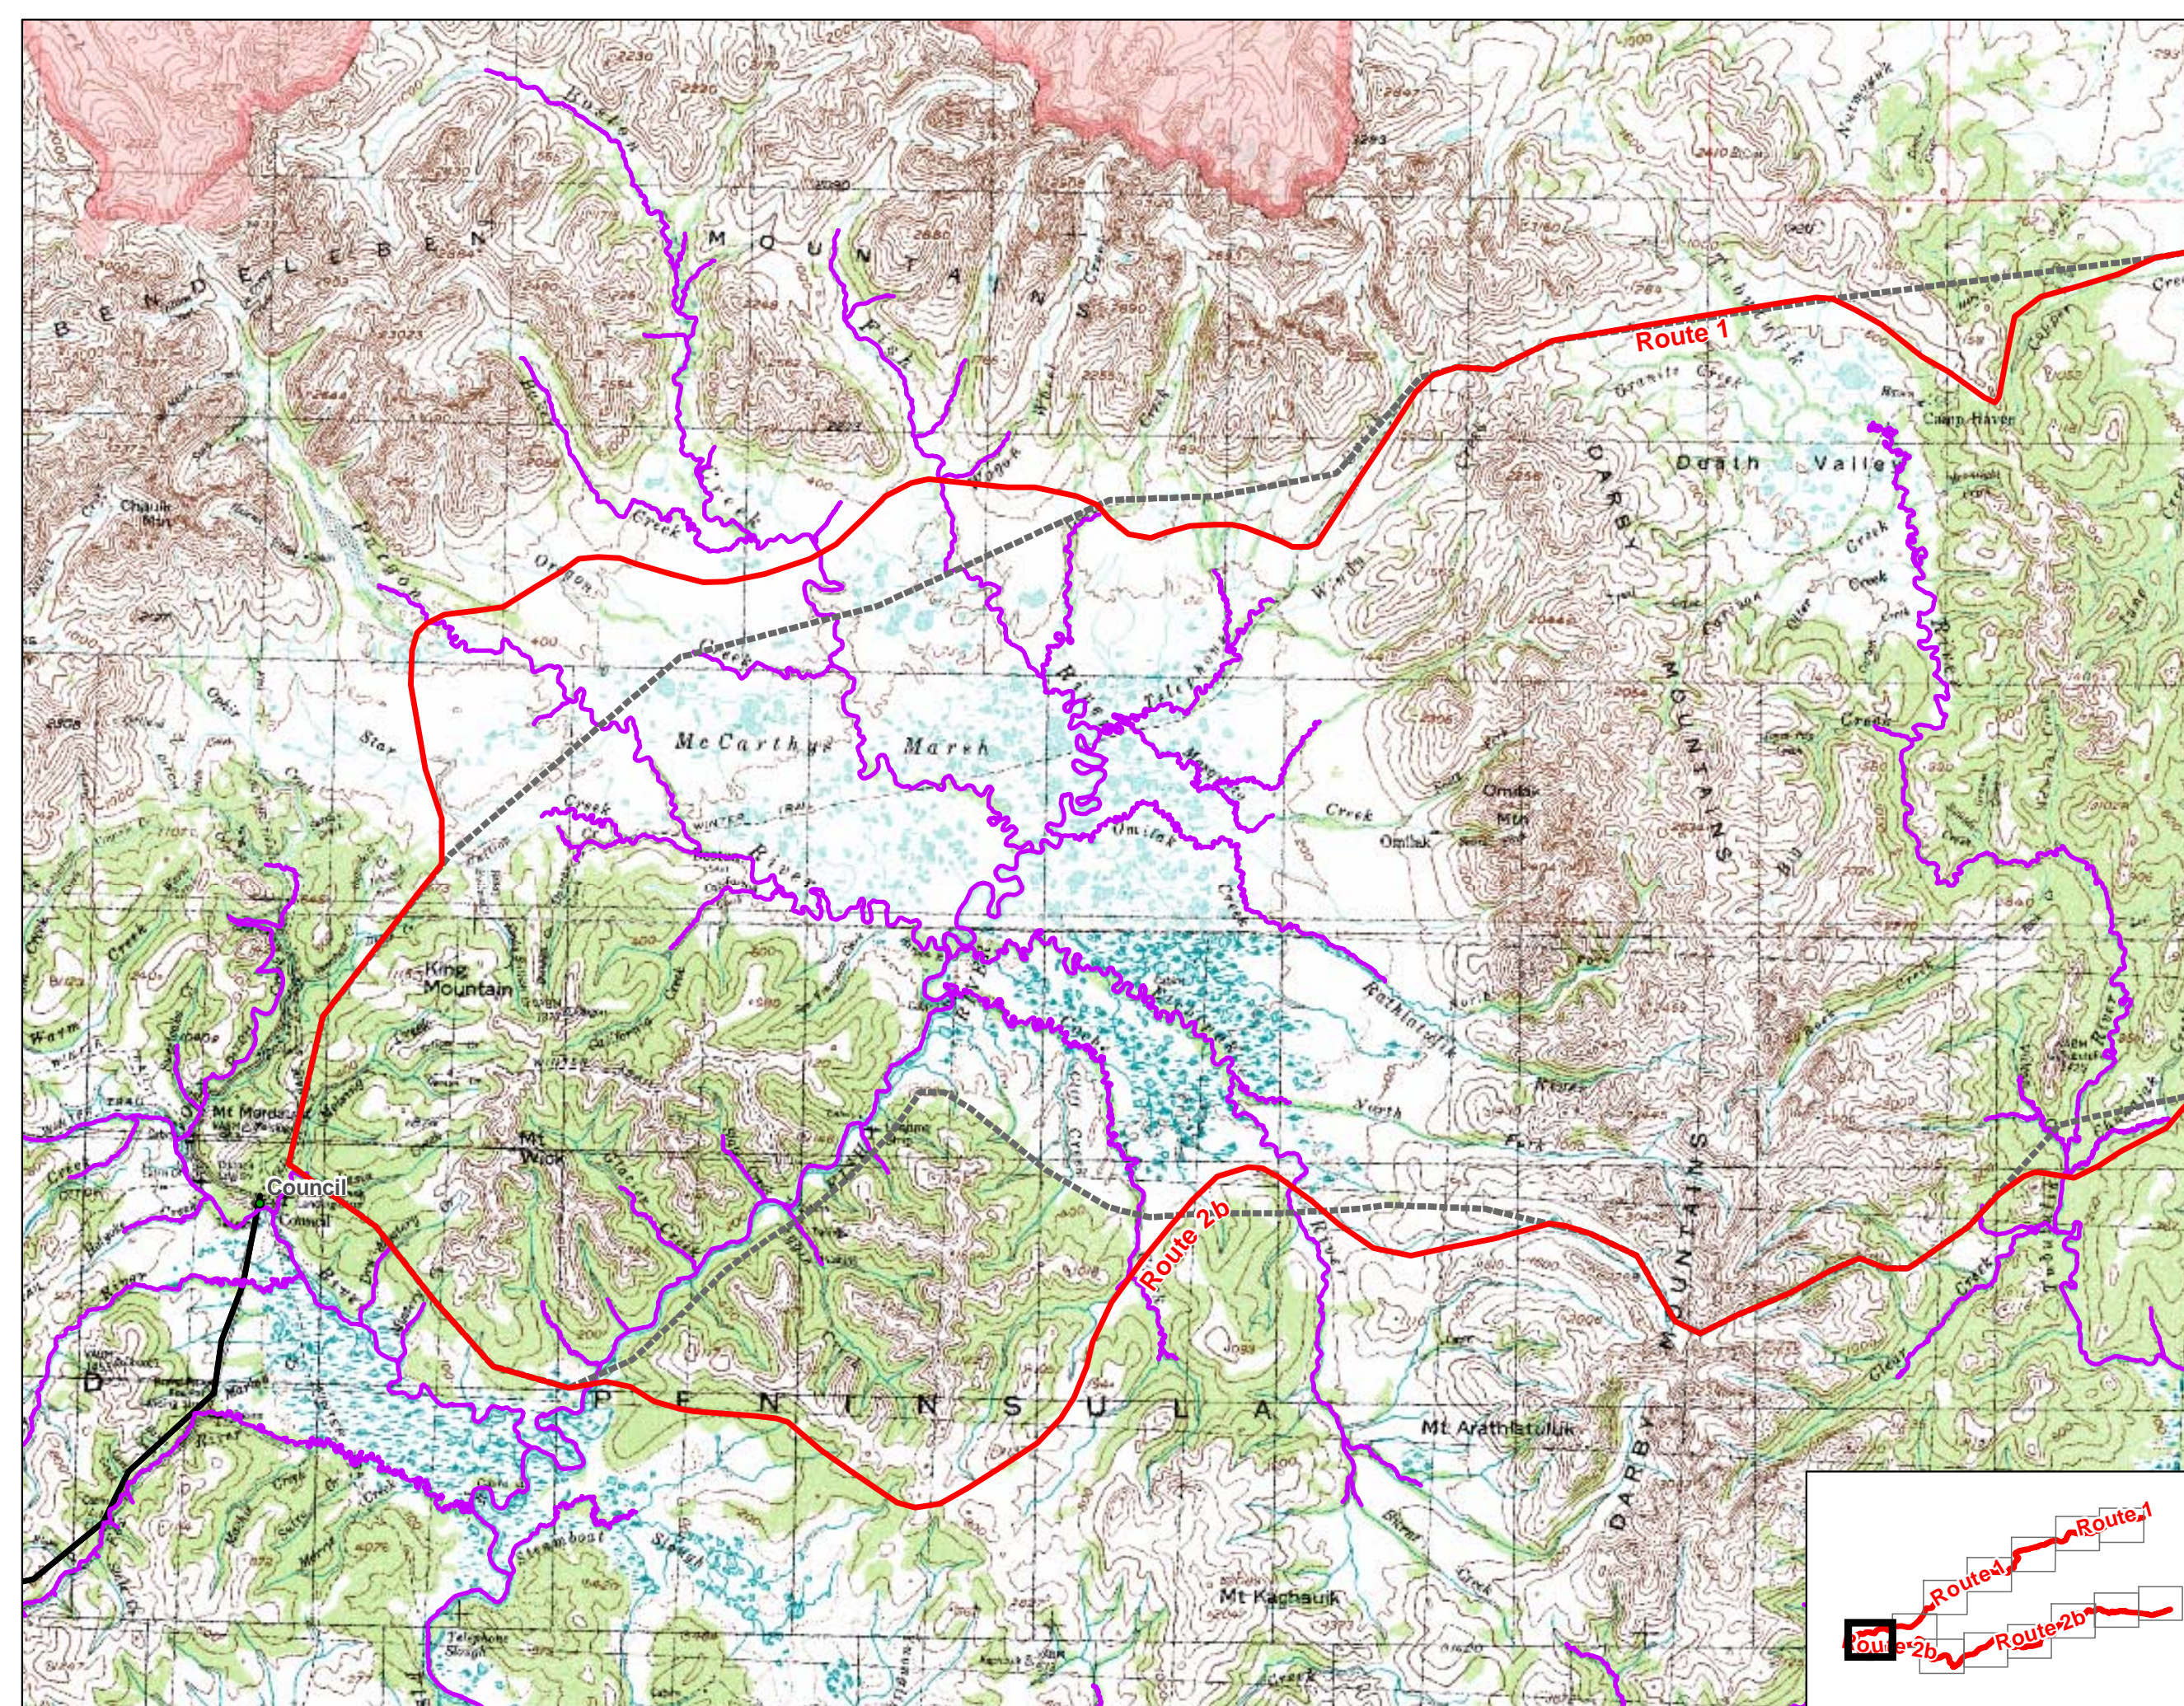

Figure G7

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 8 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

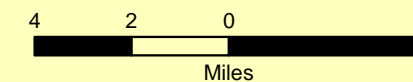

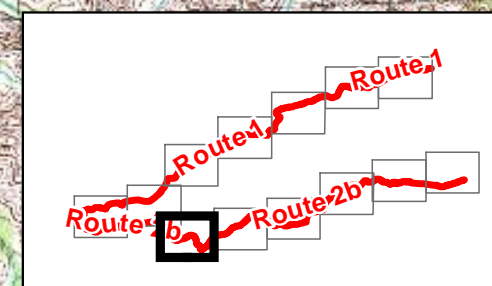

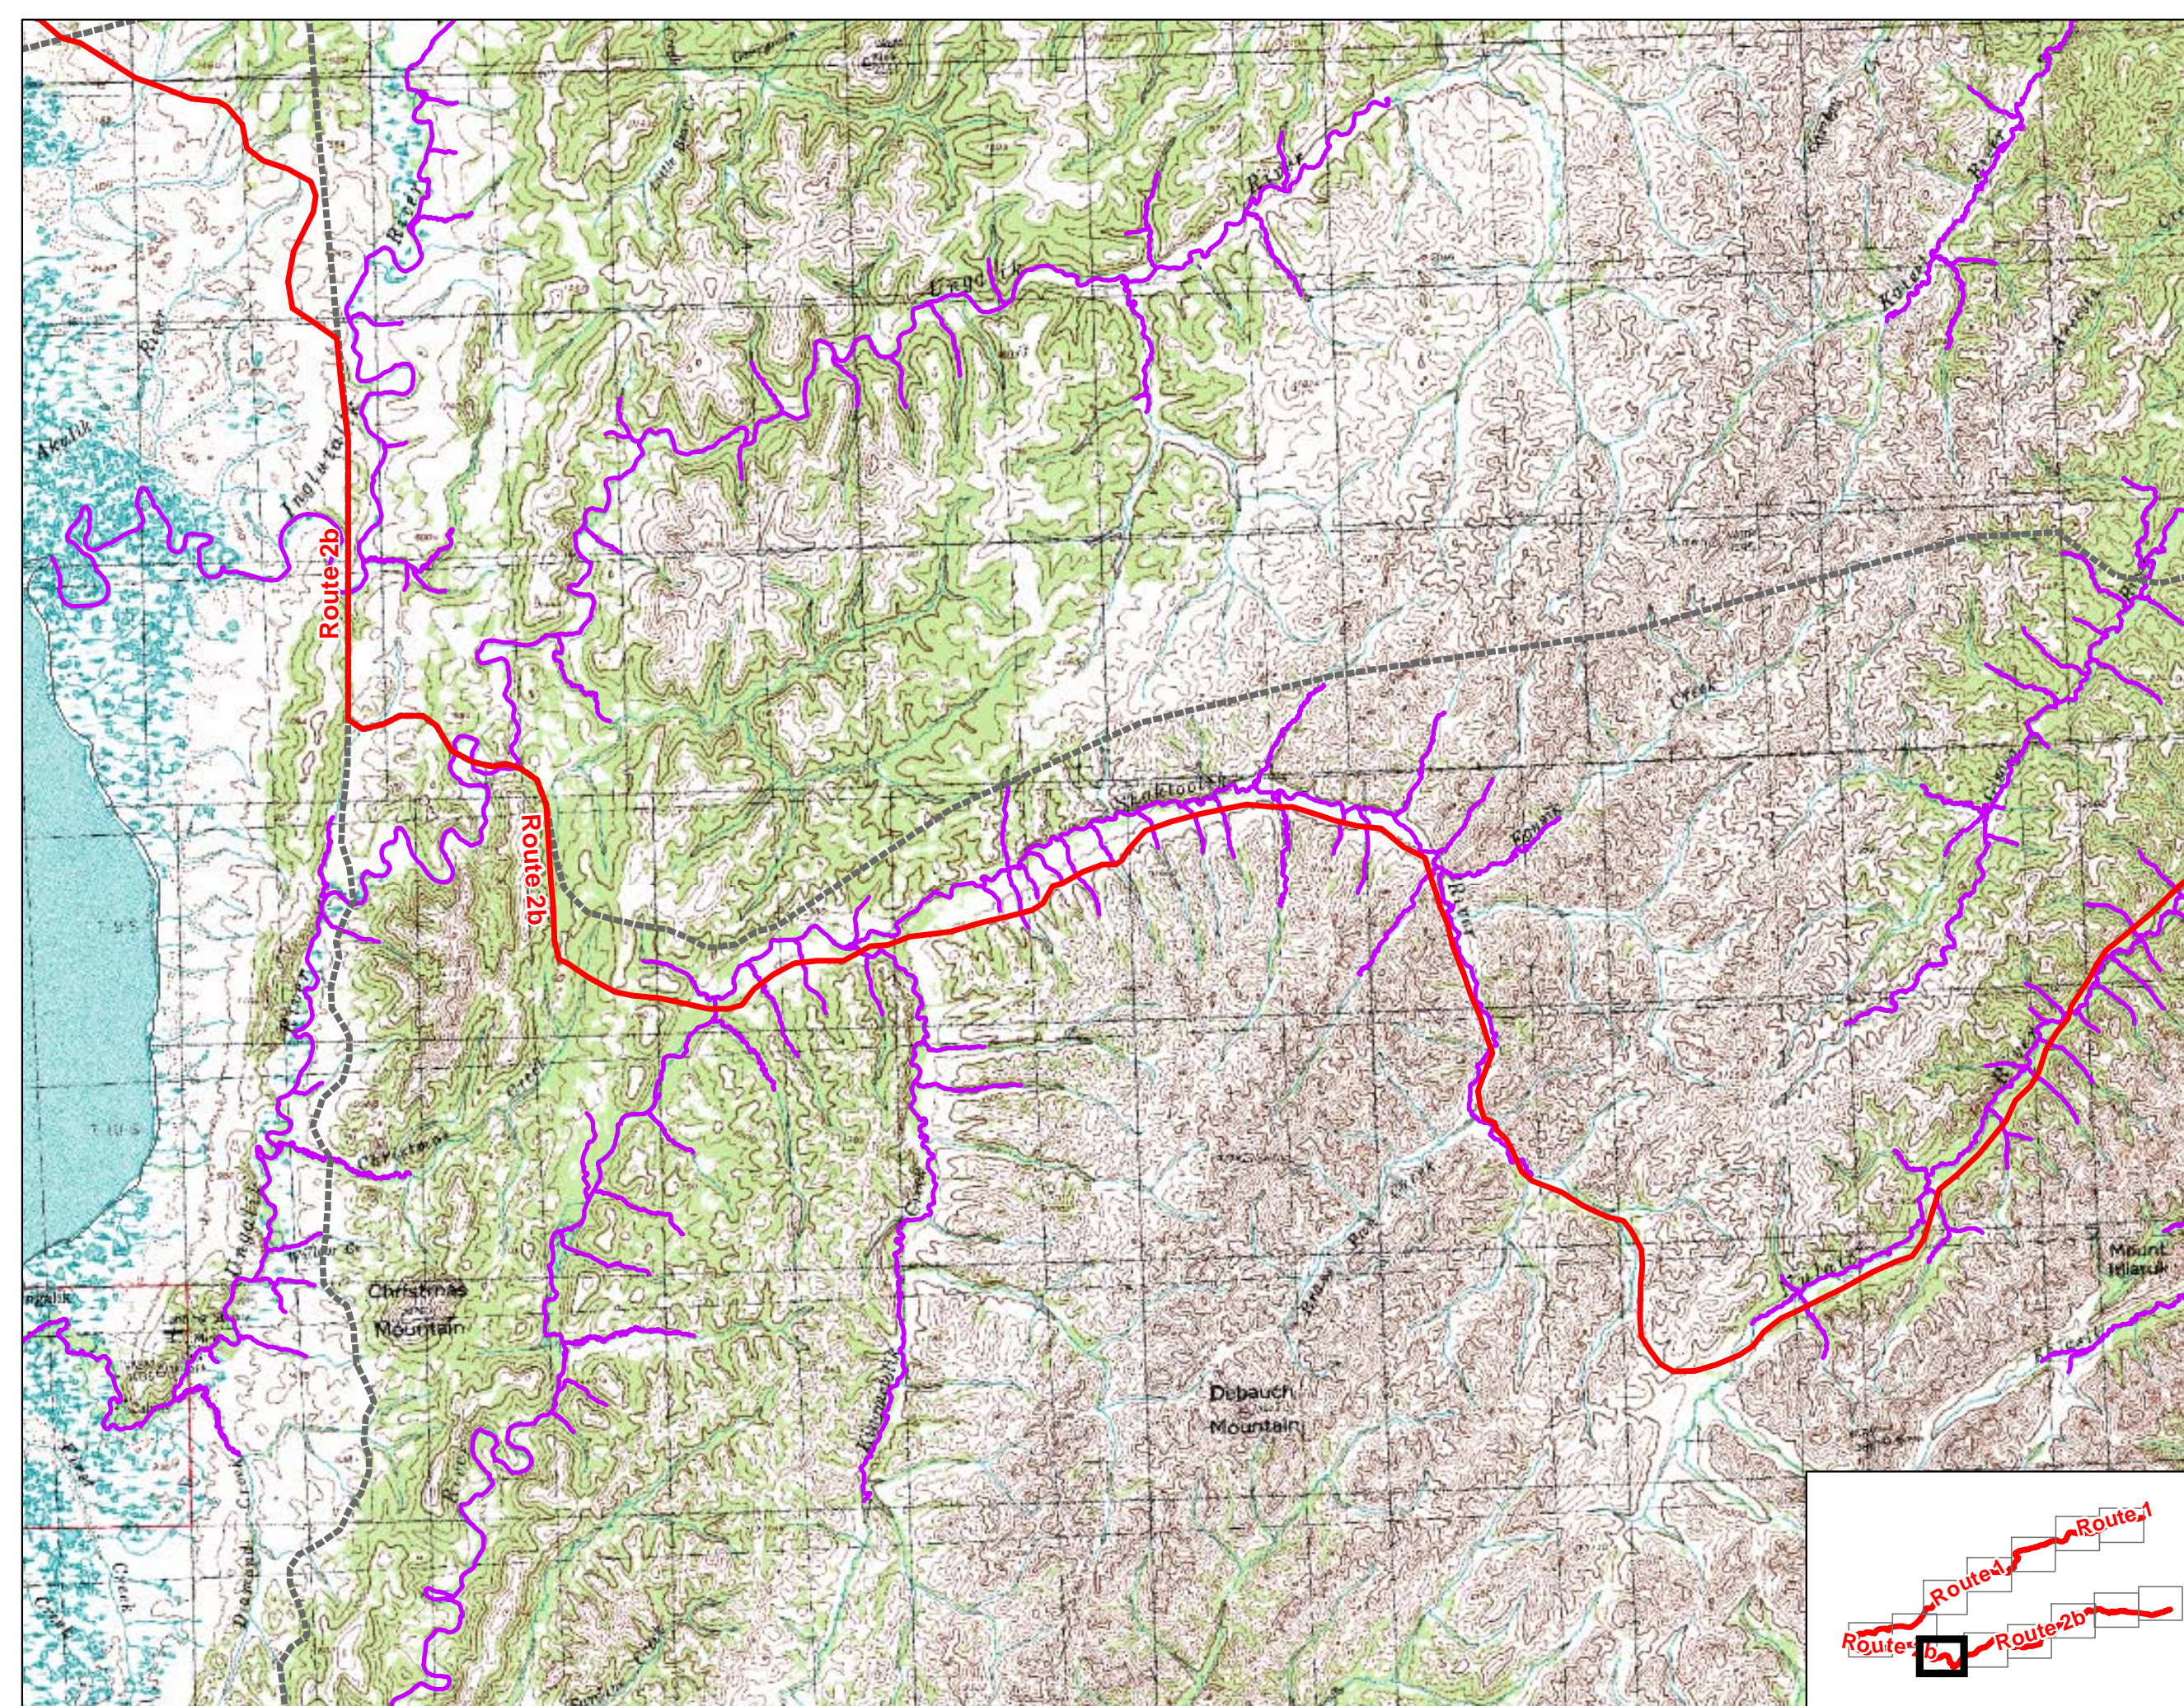

Figure G8

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 9 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units

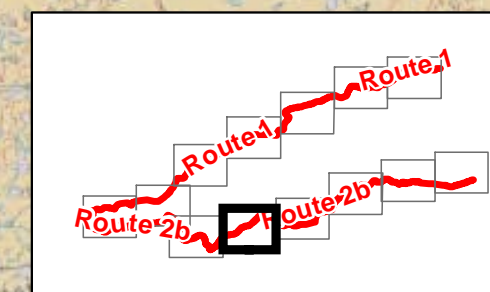

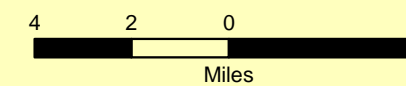

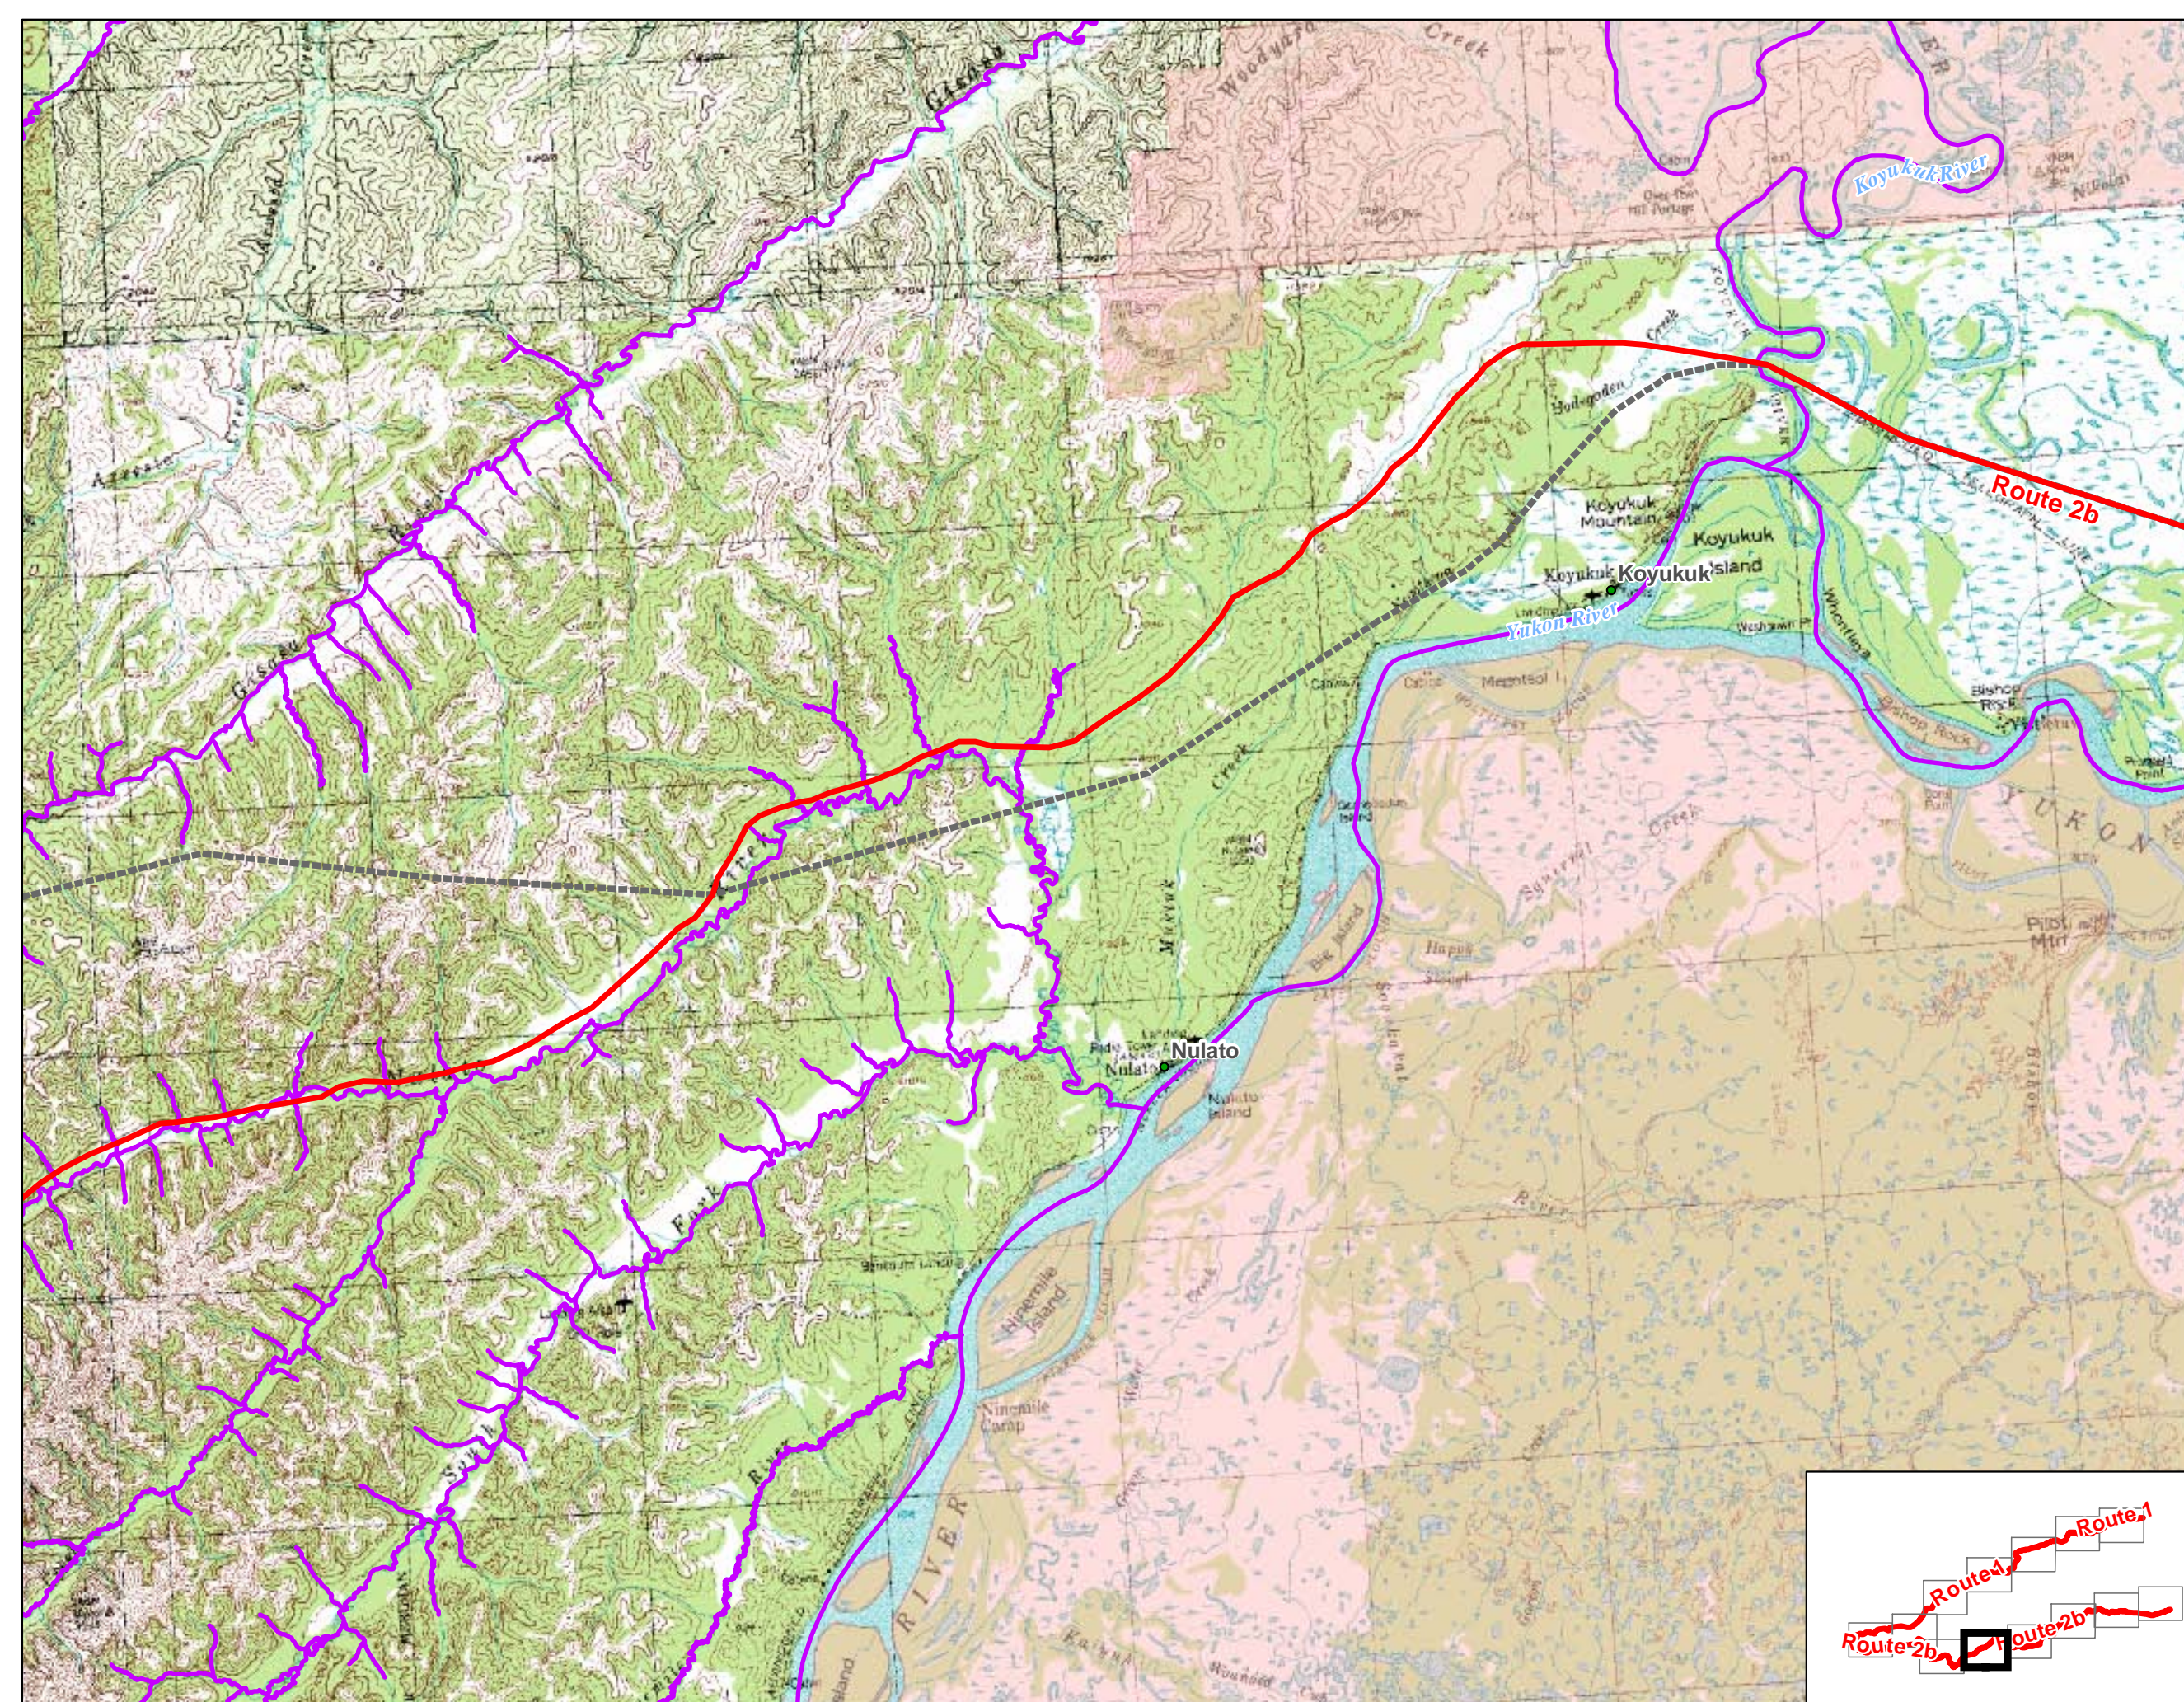

Figure G9

Western Alaska Access Planning Study

Refined Corridor Alignments

Map 10 of 13

- Refined Corridor Alternatives
- - - Preliminary Corridor Alternatives
- Existing Roads
- Anadromous Streams
- Study Area
- Communities
- Nat'l Wild & Scenic River
- National Wilderness Area
- National Conservation Units
- State Conservation Units
