

## **Alaska State Rail Plan open house planned May 29**

**Posted: Saturday, May 18, 2013 9:42 pm**

As part of a statewide series of meetings about an Alaska State Rail Plan, a public meeting is planned from 5 to 8 p.m., May 29 at the Curtis D. Menard Memorial Sports Center, 1001 S. Mack Dr., Wasilla. A brief presentation is at 6:30 p.m.

Rail plans develop a state's long-term vision for rail freight and passenger transportation. They identify needs, prioritize potential projects, determine funding needs and outline future rail policy direction.
