

Alaska State Rail Plan--Community Open Houses

The Alaska Department of Transportation and Public Facilities wants to hear from you!

Rail plans develop a state's long-term vision for rail freight and passenger transportation. They identify needs, prioritize potential projects, determine funding needs, and outline future rail policy direction.

We want to hear from you! What is your vision for our rail system? What transportation needs could be met through rail improvements? What opportunities are just down the track?

Future open houses will be in an on-line format. To learn more about the planning process, sign up for e-mail notifications, or send us your comments, visit

www.dot.alaska.gov/railplan.
