The Contractor may be asked to attend project meetings, ideally in person at the DOT&PF Headquarters Building in Juneau, or by phone or video conference.

Contractors are encouraged to provide multiple options for project completion.

Draft deliverables are due on October 24, 2018, and final BCA portions of the proposals are due by October 31, 2018. Additional support may be required during the proposal refinement process in November. All services are to be completed by December 5, 2018.
