RE: ADDENDUM NO. 1 TO REQUEST FOR
PROPOSALS (RFP) PACKAGE:
Southcentral September 2012 Flooding
Repairs Palmer Fishhook Road Design
Services
RFP No. 25202053

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. Proposals were received for this project on January 9, 2020. However, the Contracting Agency has identified the need to provide clarification to the Request for Proposals. Therefore, in accordance with 2 AAC 12.295, this addendum is hereby issued to the RFP Package.
2. This addendum clarifies the RFP requirements relating to criterion #4, item #4 – Structural Engineering. The role of “Structural Engineering” may be fulfilled by a registered Structural Engineer or a registered Civil Engineer in accordance with 12 AAC 36.990 (4), (42), and (44).
3. It is not in the State’s best interest to evaluate the proposals without first addressing this ambiguity.
4. Remove and Replace item #4 of criterion #4 with the following:
“4. Structural Engineering* (License type may be either Type C or Type T as allowed by statute and regulation for applicable structures)”
5. Originally submitted Proposals are secured in the Contracts Section. If an Offeror wishes to pick up their originally submitted Proposals and make revisions, please contact Kathleen Bridenbaugh at (907) 269-0421 to make arrangements. In this event, Offerors are responsible to assure delivery of the revised Proposals prior to the revised proposal due date of **January 30, 2020 at 4:00 p.m.** Proposals received after that date and time will not be accepted.
6. Alternatively, if an Offeror who previously submitted a Proposal in response to the RFP does not wish to submit a revised Proposal, no action is required. If no revised Proposal package is received by the Contracting Agency, the originally submitted Proposals will be evaluated in accordance with RFP and this addendum.
7. In addition, any interested party who did not previously submit a proposal in response to this RFP but is now interested in submitting a proposal, must do so before the revised Proposal Submittal Deadline of **January 30, 2020 at 4:00 p.m.** The Submittal Checklist (Part B of the RFP) itemizes the instructions for proposal preparation and submission.

Offerors are encouraged to call Kathleen Bridenbaugh at (907) 269-0421 with questions pertaining to this addendum.

All other terms and conditions remain the same.
