Southcoast Region

Riverside Drive & Stephen Richards Congestion Mitigation Project

The Alaska Department of Transportation and Public Facilities (DOT&PF), in cooperation with the City and Borough of Juneau (CBJ), is examining alternatives to reduce traffic congestion at the intersection of Stephen Richards and Riverside Drive in Mendenhall Valley.

This project will develop and evaluate intersection concepts to reduce congestion and limit resultant traffic delays and emissions.

Join us at the open house to meet the project team, learn about the project, and provide feedback on preliminary concepts. Stop in any time.

Public Open House

Wednesday, July 11, 2018

5:00 pm to 7:00 pm

Mendenhall Valley Public Library

Comments are requested by **July 27, 2018**. Please submit written comments to:
