

Errata

Please make the following changes to the *Alaska Highway Preconstruction Manual* update distributed under Transmittal Memorandum 04-01, issued November 22, 2004.

1. Near the top-center of Transmittal Memorandum 04-01 make a pen and ink revision changing the Effective Date from January 1, 2004 to January 1, 2005. (Note that the online version has already been corrected with pen and ink.)
2. Make a pen and ink revision changing the Effective Date on all pages of Section 400 from January 1, 2004 to January 1, 2005. (Note that this change has already been made to the online version.)
3. Delete the text of subsection 1120.7, Erosion and Sediment Control Plans (ESCP) and replace it with the text of subsection 1120.6, Erosion and Sediment Control Plans, issued under the Chief Engineer's Directive dated April 22, 2004. The text of section 1120.6, issued under the Chief Engineer's Directive dated April 22, 2004, is available at:
http://www.dot.state.ak.us/stwddes/dcspubs/assets/pdf/directives/attach/042204att_sect1120.pdf
(Note that this change has NOT been made to the online version of Section 1120.)
