# State of Alaska

Department of Transportation and Public Facilities  
 Statewide Design and Engineering Services  
 Design and Construction Standards

Transmittal Number <b>03-01</b>	Effective Date of this Change <b>August 15, 2003</b>	Date Issued <b>July 11, 2003</b>
Distribution <b>To: Standard Drawing Holders</b>		
Publication Title <b>State of Alaska Standard Drawings Manual</b>		
Originating Organization <b>State of Alaska, Department of Transportation and Public Facilities Design and Construction Standards Statewide Design and Engineering Services</b>		

Enclosed are revisions to the State of Alaska DOT/PF Standard Drawings Manual.

Please update your Standard Drawing Manual, including insertion of the new Standard Drawing Index, as indicated. Also note that support of metric drawings is being phased out. When existing drawings are updated, the metric versions are deleted.
