

Publications Transmittal

State of Alaska

Department of Transportation and Public Facilities
 Statewide Design and Engineering Services
 Design and Construction Standards

Transmittal Number 99-03	Effective Date of this Change October 1, 1999.	Date Issued September 15, 1999
Distribution To: All Standard Drawing Holders		
Publication Title State of Alaska –Standard Drawings Manual		
Originating Organization State of Alaska, Department of Transportation and Public Facilities Design and Construction Standards, Statewide Design and Engineering Services		

Remarks and Instructions

Enclosed is an FHWA approved revision to Standard Drawings Manual (No. 11.01, original date of issue January 1996). The main revisions are to the metric size designation of steel reinforcing bar. There are also revisions to the Drawing Index.

The Standard Drawing revision packet includes an Index and new drawings for insertion.

Editors Note: Because these drawing sheets are duplexed with english on reverse, we have reprinted both sides of sheets at the time of distribution.

Distributed by Gene Rehfield, P.E. Preconstruction Standards Engineer	Phone Number (907) 465-2985	Signature <i>Gene M. Rehfield</i>
