Department of Transportation & Public Facilities
Statewide Design & Engineering Services Division

TO: Distribution

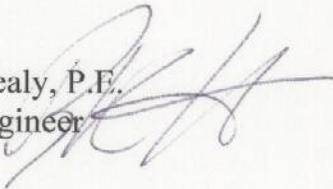

DATE: February 18, 2009

TELEPHONE: 465-6958

FAX: 465-2460

TEXT TELEPHONE: 465-3652

FROM: Roger Healy, P.E.
Chief Engineer

SUBJECT: Chief Engineer Directive -
Alaska DOT&PF Economic
Stimulus Projects Logo

Effective immediately, include the Alaska DOT&PF Economic Stimulus Projects LOGO on the cover and title page for all project development documents for federal-aid projects funded entirely or in part by the American Stimulus Program for Transportation, American Recovery & Reinvestment Act. The department committed to the Alaska Legislature, the logo would be included on all stimulus project documents, to draw special attention to the critical timeline for delivery. The documents with this logo require prioritized action and scheduling.

The following Project Development documents are subject to this requirement. This is not intended to be comprehensive list. If a particular document or report is not included on this list, it is not necessarily exempt from this requirement:

- PDA Request
- Project Management Plan
- Request for Support Group Involvement (Bridge, Environmental, ROW, Traffic & Safety, Utilities, Materials)
- Environmental Permit Application
- Environmental Document
- Design Study Report

- ROW Plans
- Utility Agreement
- PS&E (Preliminary and Final)
- PSA documents
- Any other project development document that requires timely action, either within ADOT&PF or outside our organization

The Alaska DOT&PF Economic Stimulus Projects LOGO is available in electronic format online at: <http://web.dot.state.ak.us/stwddes/index.shtml>
