

MEMORANDUM

State of Alaska

Department of Transportation and Public Facilities
Statewide Design and Engineering Services Division

TO: Regional Directors
Andrew Niemiec, P.E., Northern
Gary Paxton, Southeast
William Robertston, P.E., Central

DATE: April 22, 2004

FILE NO:

TELEPHONE NO: 465-2960

FAX NUMBER: 465-2460

TEXT TELEPHONE: 465-3652

All documents, with the exception of Chapter 16 of the Highway Drainage Manual, have been superseded by subsequent revisions.

FROM: Gary Hogins, P.E.
Chief Engineer

SUBJECT: New Erosion and Sediment
Control Plan and Storm Water
Pollution Prevention Plan
Direction

To comply with current federal and state requirements, please make the following changes. Use guidance contained in the changes in all contracts advertised on or after June 1, 2004.

1. Replace the current *Alaska Highway Preconstruction Manual* (PCM) Section 450, Design Stage, with the attached Section 450, Design Stage.
2. Replace the current PCM Section 1120, Elements of Design, with the attached Section 1120, Elements of Design.
3. Replace the current PCM Section 2440, Project Development Considerations, with the attached Section 2440, Project Development Considerations.
4. Replace the current PCM Section 2520, Drainage Design (Reserved), with the attached Section 2520, Drainage Design.
5. Delete special provisions A 15 of the *Standard Specifications for Airport Construction* (SSAC).
6. Replace specification P-157 and P-158 of the SSAC with the attached specification P-157.
7. Replace Chapter 16 of the Alaska Highway Drainage Manual (HDM), with the attached Chapter 16.
8. Replace the current Chapters 1, 2, 3, and Appendices B, C, E, G, and H of the Alaska Storm Water Pollution Prevention Plan Guide with the attached Chapters 1, 2, 3, and Appendices B, C, E, G, and H.

This memorandum replaces one dated October 29, 2001, from Michael L. Downing with the subject, "New Erosion and Sediment Control Plan Direction."
