SUBJECT: Right of Way Interim
Policies

My November 10 memorandum is amended as follows:

Driveway Permits

Driveway Permits shall not be acquired for any driveways or other entryways onto state highways for a construction project. Such structures or improvements shall be noted as driveways or road approaches on the Department's design plans, and the requirement for renewing or issuing a permit to the adjoining property owner is eliminated. An owner of land who wishes to change a driveway or approach road or install a new driveway or approach road must still apply for a permit.
