SUBJECT: Recommend Approval of
AMATS 2015-2018 TIP
Administrative Modification
#5

The Anchorage Metropolitan Area Transportation Solutions (AMATS) Policy Committee approved the AMATS FFY 2015-2018 Transportation Improvement Program (TIP) Administrative Modification #5 on July 23, 2015.

We find that AMATS FFY 2015-2018 TIP Administrative Modification #5 meets all the requirements of US Code Title 23, Section 134, meets conformity and is fiscally constrained by the allocations made in the approved 2012-2015 Statewide Transportation Improvement Program (STIP).

Your approval of the AMATS FFY 2015-2018 TIP is recommended and required as the statutory designee for all state transportation planning matters.
