

AASHTOWare Certified Payroll: understanding the new online system coming soon

JOIN US!

The **Associated General Contractors**
is hosting a lunch web presentation
with the
**Alaska Dept. of Transportation and
Public Facilities (DOT&PF)**
and the
**Alaska Dept. of Labor & Workforce
Development (DOL&WD)**

THURSDAY
AUGUST 20
12 PM - 1 PM

**ZOOM INVITE
provided by AGC**

DOT&PF is moving to an online certified payroll system. You will need to use it to submit certified payroll directly to DOL&WD. You will have to use it on all your DOT&PF projects. It is compatible with some accounting and database software.

This system will launch early in 2021.

What will we talk about?

- when it's going live
- what to expect
- how to be prepared
- it's a big change so let's work together

Who should be there?

- contractors who work on projects for DOT&PF
- staff who work in submitting certified payroll, bookkeeping, and information technology
- management or owners who would like to get a better idea about what's to come

What's next?

more training sessions, outreach, web updates, and emails before and after launch
