

QUICK REFERENCE GUIDE:

Contracts – Attention Flags

Background:

Attention flags allow you to place a temporary reminder or comment on a contract item or DWR item (much like a sticky note on a paper document). Attention Flags will appear as an Exception that can be Overridden on Payment Estimates. The *DWRs - Creating and Submitting QRG* documents how to add an Attention Flag to a DWR Item.

Navigation:

Construction > Contract Progress > Contract > Items

Using Attention Flags on Contract Items

1. To view an existing contract flag, in the Contract Items component, click the **flag icon** to see the details.
2. To add an attention flag, select the **Row Actions Menu** and click **Contract Item Attention Flags**.
3. Enter **Comments** and click **Save**.
4. If one or more comments already exist, you can click the **New** button and enter more **Comments** in the new row.
5. To change comments in an existing attention flag, click in the **Comments** field and add, change, or delete information as needed and click **Save**.
6. To delete an attention flag, in the **Contract Item Attention Flags** modal window, open the **Row Actions Menu** on the attention flag row and select **Delete**.
7. Click **Save**.

Managing All Attention Flags on a Contract

8. To see or maintain all the attention flags recorded for the contract, open the **Component Actions Menu** in the upper right corner of the Contract Items Summary.
9. In the Views section, select **All Attention Flags**.
10. The Attention Flag Overview includes two tabs, one for **Contract Items** and one for **DWR Items**. Select the appropriate tab to view all corresponding Attention Flags.
11. Use the search bar and filters to locate the attention flag you need to manage.
12. To change comments in an existing attention flag, click in the **Comments** field and add, change, or delete information as needed.
13. To delete a single attention flag, open the **Row Actions Menu** on the attention flag row and select **Delete**.
14. To delete all attention flags, click the **Mark all for deletion** button.
15. Click **Save**.
