ANCHORAGE AIRPORT UPDATE
December, 2012

1. Part 150 Noise Study:
   a. Had Public Meeting and Study Input Committee Meetings on Nov. 7 to discuss aviation activity forecast and draft noise contours.
   b. Next Study Input Committee Meeting will likely be in February to discuss the finalized noise contours incorporating engine run-ups, and single event contours for both Lake Hood and Ted Stevens.
   c. Next Public Meeting date to be determined.
   d. Web site is: anc150study.com for information and to send comments, questions and request to receive notifications/updates.

2. Master Plan:
   a. Consultant is working on the inventory of existing conditions at the airport. Initial Technical Advisory Committee meeting will be Weds Dec 12, 1:30 to 3:30 at the Airport Badge office in the North Terminal.
   b. Initial Working Group meeting will be Tues Dec. 11, 5:00 to 7:00 in the CIRI Building First Floor Conference Room, 2525 C Street.
   c. Website is www.ancmasterplan.com for information and to send comments, questions and request to receive notifications/updates.

3. The only significant construction projects at airport through end of year are:
   a. Excavation for Access road from airfield directly to Kulis fire station recently began. Using the waste material from that to build a portion of the berm along Raspberry Road screening it somewhat from South Airpark.
   b. Parking Garage Escalator Replacement ongoing with mid January scheduled completion.
   c. Lake Hood Strip RPZ Property Acquisition (Wendy’s Way 6 Duplexes)
      1. Houses have to be removed by March 15th, 2013 by the contract.
      2. 4 of 12 trees mark for removal at the front of the lots have been removed. Brush needing removal at the back of some of the lots has been marked by the contractor.
      3. All the other work will continue in May and be finished by the contract end date of July 31st 2013.
      4. Two structures have been placed on framework in preparation for removal.

4. Concessions opening soon:
   b. Silver Gulch Brewing Company across from Chili's. Secure side of passenger screening. To open this week.

5. Kulis:
   a. Demolition complete
   b. Clean up of some contamination at the old POL facility through next summer.
   c. NAS operating out of the old cafeteria to support passengers on Shell flights to North Slope. An extension of that operation through December 2013 has been approved.

6. Music at the Airport for the holidays. Booking adult amateur music groups and school student groups to perform for 1 hour segments from November 26-December 31, 2012. Contact Margaret Tyler to schedule groups: margaret.tyler@alaska.gov

7. Several Airport Staff Position recruitments can be found on-line at Workplace Alaska: Airport Operations Manager; 2 Operations Officers; Airfield Maintenance Manager; Airport Engineer II; Airport Planner
