As you are aware, Andy Mills last day of state service was July 8, 2026. We appreciate his contributions to the department and wish him the very best in the future.

To ensure continuity of operations and support for the Communication Team while we work through the recruitment and hiring process to fill vacancies, the following supervisory assignments will be in place beginning July 10, 2026.

- Sonny Mauricio, Information Officer 3 will report to Justin Shelby, Admin Ops Manager
- Gabe Strong, Information Officer 3 will report to Justin Shelby, Admin Ops Manager
- Angelica Stabs, Information Officer 3 will report to Justin Shelby, Admin Ops Manager
- Karolina Zakravaska, Information Officer 3 will report to Justin Shelby, Admin Ops Manager
- Jill Reese, Information Officer 3, will report to Justin Shelby, Admin Ops Manager
- Andrea Deppner, Publications Specialist 2 will report to Justin Shelby, Admin Ops Manager
- Grace Keller, Publications Specialist 2 will report to Justin Shelby, Admin Ops Manager

These assignments are temporary and may be adjusted as operational needs evolve and recruitment efforts progress. Our goal is to maintain clear communication, continuous service, and support for staff during this transition period. The Communication Team will continue managing all communication-related email accounts during this transition. If there are questions, issues, or support needs related to communication accounts or workflows, please forward those requests to Dot.Commissioner@alaska.gov. Winnie Cichosz will assist in providing guidance and support as needed. If Justin Shelby is unavailable for any reason, Jody Thomas will serve as the designated alternate supervisor and primary point of contact to ensure continuity of operations.

We appreciate your flexibility, professionalism, and continued dedication as we navigate these staffing changes together. Please reach out to Jody Thomas if you have any additional questions regarding reporting structures or work assignments.

Thank you for your continued teamwork and support.
