MEMORANDUM

State of Alaska

Department of Transportation & Public Facilities
Northern Region Directors Office

TO: Distribution

DATE: November 23, 2026

PHONE NO: (907) 378-5911

FROM: Lauren Little, P.E.
Acting Infrastructure Development Director

SUBJECT: Infrastructure Development Delegation of Authority Project Development Authorizations

Per Policy & Procedure (P&P) 01.01.020, Regional Directors are designated as the final signature authority for Project Development Authorization (PDA) documents.

For the Infrastructure Development Division, this authority is hereby delegated as outlined below.

Regional Preconstruction Engineers – authority is delegated to the Regional Preconstruction Engineer for each region for all Preconstruction-managed project PDAs.

Regional Construction Engineers – authority is delegated to the Regional Construction Engineer for each region for all Construction-managed project PDAs.

Project Delivery Plan approvals will be completed by the Infrastructure Development Director.

The Infrastructure Development Director retains final signatory authority for all PDA documents not otherwise delegated above.
