

# Northern Lights Boulevard Pavement Preservation Project

## Project Fact Sheet

### Project Description

The State of Alaska Department of Transportation and Public Facilities (DOT&PF) will resurface Northern Lights Boulevard from Lake Otis Parkway to Forest Park Drive as part of the larger project, Anchorage Area Roads Group A Pavement Preservation. This project's goal is to extend the service life of the road and restore it back to good condition. The project will tackle surface defects such as ruts or areas with high roughness, by resurfacing the existing roadway. Other work may include improvements to:

- Drainage
- Targeted subgrade replacement
- Signage
- Striping
- Roadside hardware
- Vegetation clearing
- Utilities
- Bus stops
- Curb ramps

### Project Area

### Project Schedule

Public Involvement	Ongoing
Preliminary Design	2023 – 2025
Final Design	2025 – 2027
Anticipated Construction (or later based on available funding)	2028
