

Old Seward Highway Pavement Preservation Project

Project Fact Sheet

Project Description

The State of Alaska Department of Transportation and Public Facilities (DOT&PF) will resurface Old Seward Highway, from O'Malley Road to Rabbit Creek Road. This project's goal is to extend the service life of the road and restore it back to good condition. The project will tackle surface defects such as ruts or areas with high roughness, by resurfacing the existing roadway. Other work may include improvements to:

- Drainage
- Targeted subgrade replacement
- Signage
- Striping
- Roadside hardware
- Vegetation clearing
- Utilities
- Bus stops
- Curb ramps

Project Area

Project Schedule

Public Involvement	Ongoing
Preliminary Design	2023 – 2025
Final Design	2025 – 2026
Anticipated Construction <i>(or later based on available funding)</i>	2027
