

# MEMORANDUM

## State of Alaska

Department of Transportation & Public Facilities  
Design and Engineering Services – Central Region

TO: Distribution

DATE: March 21, 2019

FROM: Wolfgang E. Junge, P.E.  
Regional Preconstruction  
Engineer

TELEPHONE NO: 269-0588

SUBJECT: **Curb Ramps: CR ADA  
Standards and Design Process**

The following documents have been developed to establish a clear and consistent process for curb ramp inspections and design within Central Region.

- ADA Features Workflow (Pinnacle)
- ADA Curb Ramp Design Process
- ADA Curb Ramp Survey Instructions
- ADA Curb Ramp Inspection Forms
- ADA Transition Memo Template
- ADA Technical Infeasibility Design Waiver Memo
- Section 608 Special Provisions

These documents, as well as additional ADA resources, can be found at:

<\\dot.soa.alaska.gov\shared\AV\LIB\HighwayDesignMasters\DesignGuidance\ADA>

### Schedule for Implementation

Full implementation of this process for projects that have not held their PS&E Review meeting by April 1, 2019.

Projects that have completed the PS&E Review, but have not yet advertised as of April 1, 2019, should update their Plans (D-sheets, E-Sheets, F-sheets) per the attached ADA Features Workflow. Curb ramps do not need to be inspected per the Survey Instructions, but an ADA Transition Memo still needs to be submitted to the Civil Rights Office and included as part of the Transfer to Construction Memo.

### Distribution:

Jim Amundsen, P.E., Chief, Highway Design  
Luke Bowland, P.E., Chief, Aviation Design
