DETAIL

Area Surveyed: 5,135.46 Acres

The history of surveys are contained in the field notes.

This plat and field notes represent the survey of Tract 37 and a portion of the meanders of Township 95 South, Range 194 West, Seward Meridian, Alaska. A portion of the subdivisional lines of this township were protracted as shown on this plat.

This survey was executed by Charles E. Akin, Jr., Registered Alaska Land Surveyor No. LS-5131, for the Ounalashka Corporation, May 1, 2007, through June 23, 2007, in accordance with the specifications set forth in the Manual of Surveying Instructions, 1973, the Special Instructions for Group No. 930, Alaska, dated July 27, 2004, approved November 4, 2004, Contract No. NAA060017, dated September 7, 2006, and Notice to Proceed dated April 30, 2007.

The direction of all lines shown on this plat, including ties, are reported as mean bearings with reference to the true meridian.

The meanders were obtained by Global Positioning System methods.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
Anchorage, Alaska

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.
