RE: Term Agreement for Land Surveying Services
Request for Proposal 2006-22, PSA 62118
Alaska Tideland Survey 1672

Dear Land Surveying Term Contractor:

ADOT&PF requires the services of a Professional Land Surveyor to complete an Alaska Tideland Survey (ATS) in accordance with the survey instructions provided by the Department of Natural Resources (DNR).

- a. The Contractor shall not begin any work without written authorization from the Contracting Agency's Contracting Officer. All field and office work will be completed in accordance with the survey instructions provided by DNR and attached to this Request for Proposals.
- b. All questions will be directed to DNR's Land Surveyor, J. Patrick Green, at 451-3012 for clarification, however if the direction that is received alters the negotiated price for this contract the Contracting Agency will be notified before the work is started.
- c. All fees will be paid by the contractor and submitted for billing as an expense.
- d. All submittals will be made directly to DNR and the respective boroughs if necessary. The Contracting Agency's Project Manager will be notified in writing when each submittal has been made.
- e. The Contracting Agency will be responsible for recording the final approved plat.

PROVIDED ITEMS: PDF Copy of survey instructions posted at

SCHEDULE: The final deliverables are due December 15, 2009. It is anticipated that this PSA will be extended by amendment to May 31, 2010.

SUBMITTAL REQUIREMENTS, DEADLINE & LOCATION: Submit a proposal in accordance with Appendix F, Innovative Rotation Methodology, paragraph 2.3, no later than 4:00pm, January 30, 2009, to Emily Nelson, PSA Unit Supervisor, at 4111 Aviation Avenue, Anchorage, Alaska 99502.

Proposals may be hand delivered, mailed, or faxed to (907) 269-0402. If mailing proposal, ensure that it arrives prior to the submittal deadline.

If you cannot perform this work, you must submit a written justification for refusal or unavailability to accept a project assignment within two working days after receipt of this letter.

If you have any questions, please call me at 269-0558. Thank you for your attention and response to this request.

Sincerely,

P. Louise Hooyer, P.E.S., CFeds, SR/WA
Central Region ROW Engineering Supervisor
