

## Project Description

The Alaska Department of Transportation and Public Facilities (DOT&PF), in cooperation with the Federal Aviation Administration (FAA), is proposing to rehabilitate and improve the Homer Airport and associated airport facilities to extend the service life of the airport, improve safety, and improve airport perimeter access for airport security, maintenance, wildlife hazard management, and airfield rescue operations.

## Project Status & Updates

- Preliminary engineering and environmental assessment activities began in fall 2020 and will continue through 2021.
- Project scope presented at public meeting #1 in May 2021.
- Final design began in Fall 2021, based on input received during the first public comment period.
- Sign up for electronic project updates at <http://dot.alaska.gov/creg/homerairport>

## Submit Your Comments/Questions:

- To [homerairport@hdlalaska.com](mailto:homerairport@hdlalaska.com)
- To DOT&PF Project Manager Matthew Hansen: [matthew.hansen@alaska.gov](mailto:matthew.hansen@alaska.gov)
- At <http://dot.alaska.gov/creg/homerairport>

## Homer Airport Improvements

### Project Schedule

## How to Participate:

Refer to the opposite side of this postcard for instructions on how to attend the open house. The meeting will begin with a presentation from the project team. ***A Q&A session following the presentation will feature questions submitted prior to the meeting.*** If you are unable to attend, a recording of the presentation and Q&A session may be viewed on the project website following the meeting.

## For More Information on the Project:

Matthew Hansen, P.E. | DOT&PF Project Manager
