Grant Award Instructions

As a Sub-Recipient, you are only entitled to costs that are eligible. All eligible work must conform to the Scope of Work as specified in the applicable Project Worksheet (PW). Do not assume all costs or changes will be allowed at project completion. Any change request must contain justification for the eligibility of additional costs or work.

All Emergency Work PWs (Category A and B, "Emergency Work") must be complete six months from the date of the Disaster Declaration. All Permanent Work PWs (Categories C-G, "Permanent Work") must be complete 18 months from the date of the Disaster Declaration. If more time is required, contact your Division Representative before the associated deadline to request a Time Extension. Ample justification is required for approval of any Time Extension Request.

Please carefully review the Damage Description and Dimensions, Scope of Work, and Cost Estimate. If you do not agree with the PW as written, or determinations regarding project eligibility, Scope of Work, time limits, funding, or other determinations, an appeal process is available. This process requires written correspondence identifying the action under appeal with an appropriate justification within 60 days of receipt of this Award. Please attach all pertinent documentation supporting your appeal and mail to:

Michael F. O'Hare, Director
Division of Homeland Security
and Emergency Management
PO Box 5750
JBER, AK 99505

Failure to follow these guidelines will jeopardize project funds and may impact future disaster assistance. Additional PWs pending approval will be transmitted in future correspondence. Please review all PWs and ask us about pending PWs to ensure all damaged sites or facilities are identified.

As the Authorized Representative of the Alaska Department of Transportation & Public Facilities
I have reviewed these instructions and acknowledge our appeal rights and responsibilities under the Public Assistance Program.
