

2026 Alaska Construction Career Day – High School Student Registration Form

Alaska Construction Career Day (ACCD) is a unique opportunity to inspire the next generation of skilled workers by introducing high school students to the diverse careers in construction and transportation. This annual event brings together labor unions, construction companies, the University of Alaska, school districts, state agencies, and trade organizations to provide hands-on activities and engaging exhibits that showcase the exciting world of construction.

We invite high school students across Alaska and other districts to attend this engaging event and explore the wide range of opportunities in construction and transportation. Participate in hands-on activities, interact with industry professionals, and discover how these careers shape Alaska's future. Whether you're interested in operating heavy machinery, designing infrastructure, or learning about apprenticeships, the ACCD offers a chance to explore it all and ignite your passion for a rewarding career.

Please note:

- Parents/Guardians of homeschool students must submit their registration forms to Alaska DOT&PF, Civil Rights Office. Email Zhenia C. Peterson at zhenia.peterson@alaska.gov or call 907-269-0844.
- Students attending ASD or Mat-Su School Districts will need to register directly with their counselors and or point of contact.
