Progress Estimates & Prompt Payment

- Progress estimate payments are typically generated twice a month when work is being performed - on the 15th and the last day of the month.
- What DOT&PF needs from the Prime Contractor before generating a pay estimate:
 - Approved submittals, certifications, and forms
 - Certified payrolls
 - Agreement on quantities
- After generating the pay estimate it is circulated for signatures at DOT&PF and the Prime Contractor. Once signed by both parties DOT&PF Finance makes payment.
- Prime Contractors should be making payment to subcontractors, suppliers, and service providers within 8 working days after receiving payment from DOT&PF per AS 36.90.210.

Disadvantaged Business Enterprise (DBE)

DBE firms who are performing work on FAA/FHWA projects in Northern Region will be contacted by DOT&PF project staff to perform Commercially Useful Function (CUF) interviews. Expect your onsite workers and/or home offices to be contacted.

Questions about DBE participation or CUF interviews?

1. Visit the DOT&PF Civil Rights Office website at: <https://dot.alaska.gov/cvlrts/aucp.shtml>
