Homer Airport (HOM) 2024 FAA Title VI Plan

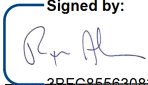

1. Title VI Policy Statement¹

The Alaska Department of Transportation and Public Facilities (DOT&PF) assures that no person shall, on the grounds of race, color, national origin (including limited English proficiency (LEP)), sex (including sexual orientation and gender identity), creed, or age, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987 (PL 100.259), Section 520 of the Airport and Airway Improvement Act of 1982, and related authorities (hereafter, "Title VI and related requirements"), be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that receives U.S. Department of Transportation (DOT) funding. Title VI also prohibits retaliation for asserting or otherwise participating in claims of discrimination.

DOT&PF further assures every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs are federally funded or not, *"including any programs or activities of our sub-recipients."* The Airport Sponsor agrees, among other things, to understand the communities surrounding or in the flight path and customers that use the airport. Anytime communities may be impacted by programs or activities the DOT&PF will take action to involve them and the general public in the decision-making process.

DOT&PF requires nondiscrimination assurances, as prescribed by the FAA, from each tenant, contractor, and concessionaire providing an activity, service, or facility at the airport. Assurances must be included in any related lease, contract, or franchise agreement between DOT&PF and each tenant, contractor, and concessionaire, as well as in any similar agreements with their own sub-tenants and sub-contractors.

The Title VI Coordinator is available at 907-269-0852 and Robespierre.howard@alaska.gov. The Coordinator is responsible for overseeing the Airport Sponsor's compliance with Title VI and is the point of contact for all airport Title VI matters and related responsibilities, including those required by 49 CFR Part 21.

2. Administration

The DOT&PF Commissioner has reviewed and adopted this Title VI Nondiscrimination Plan for DOT&PF. This plan will be updated no less than once every 3 years. The plan will not be re-adopted following minor changes, such as updating the DOT&PF Commissioner’s Airport Director or the DOT&PF’s Title VI Coordinator. Significant revisions to our policies or federal guidelines may warrant re-adoption by the DOT&PF’s Civil Rights Office (CRO) and resubmittal to the FAA.

In addition to the coordinator and airport sponsor’s leadership, the following people also assist with our Title VI program requirements:

3. Grant and Procurement Assurances

49 CFR § 21.7 (a)(1); 49 CFR Part 21 Appendix C (b)

DOT&PF will complete standard grant assurances for Title VI and related requirements, in the form prescribed by FAA. See https://www.faa.gov/airports/aip/grant_assurances/#current-assurances.

Clauses/Covenants

- a. All contracts, leases, deeds, licenses, permits, and other similar instruments, must contain the contractual requirements and clauses, in the form prescribed by FAA. See https://www.faa.gov/airports/aip/procurement/federal_contract_provisions/. Note that unlike many other clauses, Civil Rights clauses are required in all contracts. Note also special clauses that are required for certain types of contracts, such as land acquisition.
- b. DOT&PF requires, Civil Rights clauses to be included in solicitations and contracts for all subcontractors, subleases, and any other agreements.

Description of Oversight Methods for Subcontracts

To ensure compliance with the subcontractor, the Title VI Coordinator and Airport Title VI Liaison will conduct annual reviews of 10% of all AIP-funded projects. These reviews will examine the information listed below, which will be documented in the FAA Title VI Plan's Appendices. In addition, the Alaska DOT&PF Central Region Contracts section provides oversight of all HOM project contracts, whether federally or airlines funded, including both vertical and horizontal agreements. The Contractor will ensure that paragraphs one through six of federal regulations "combined-federal-contract-provisions-2023-5-24, Section A6.4.2, Compliance with Nondiscrimination Requirements (see Appendix A)" are included in every subcontract, including material procurements and equipment leases, unless exempted by the Acts, Regulations, and associated directives.

The Contractor will take necessary action, as directed by the Recipient or the Federal Aviation Administration, to enforce these provisions, including imposing sanctions for noncompliance.

If the Contractor faces litigation from a subcontractor or supplier due to such direction, they may request the Recipient to engage in legal proceedings to protect the Recipient's interests.

Additionally, the Contractor may request that the United States participate in the litigation to safeguard the United States' interests.

4. Title VI Coordinator Responsibilities

The Coordinator is responsible for ensuring that they and other staff supporting Title VI are trained in Title VI requirements. Essential training topics include:

- Basic Title VI requirements
- Airport language assistance resources and practices
- Collecting and assessing demographic data
- Reporting Title VI complaints and other required FAA notifications.

See Training Section for more information on expected training for all staff.

Among other responsibilities, the Title VI Coordinator:

- Proactively ensures that the Airport Sponsor is in compliance with nondiscrimination requirements of Title VI and reports to DOT&PF leadership on the status of Title VI compliances.
- Responds promptly to requests by the FAA for data and records and for scheduling compliance reviews and other FAA meetings to determine compliance with Title VI and related requirements.
- Receives discrimination complaints covered by Title VI and related requirements and forwards them to the FAA within 15 days of receipt, together with any actions taken to resolve the matter.
- Provides the FAA with updates regarding its response and status of early resolution efforts to complaints concerning Title VI and related requirements (49 CFR Part 21, Appendix C(b)(3)), including resolution efforts.
- Annually reviews the airport's Title VI plan and disseminates information throughout staff and the Airport Sponsor's leadership.
- Coordinates data collection to evaluate whether racial or ethnic groups are unequally benefited or impacted by airport programs. The data will be regularly assessed and readily available upon request (49 CFR § 21.9(b) & (c)). Data collection methods will include optional demographic questions in: airport customer satisfaction surveys, customer complaints, airport event sign-in sheets, bids/proposals for airport contracts, and other methods described in the airport Community Participation Plan (CPP).
- Maintains demographic data for members of appointed planning and advisory bodies for the airport. Identifies any disparities compared to the community. Provides information to the membership selecting official/committee, particularly when vacancies occur.
- Maintains a copy of 49 CFR Part 21 for inspection by any person asking for it during normal working hours (49 CFR 21, Appendix C (b)(2)(i)).

See Notice, Compliance Reviews, Audits, Lawsuits, Other Investigations, and Complaints Sections of this Plan.

The Title VI Coordinator has requested and received access to the Title VI portion of the FAA Civil Rights Connect System (<https://faa.civilrightsconnect.com/>).

5. Notice

49 CFR Part 21 Appendix C(b)(2)(ii)

HOM will conspicuously display the FAA-provided Unlawful Discrimination Poster in all public areas on airport property, including those with pedestrian activity. The Title VI Coordinator ensures that these posters are visible, accessible,² and maintained. The poster template is available at https://www.faa.gov/about/office_org/headquarters_offices/acr/com_civ_support/non_disc_pr/; a completed copy is attached. See Section 15 Appendix.

HOM has posted the above Title VI policy statement at its staff offices.

HOM will distribute this Title VI Plan among its employees, airport contractors, concessionaires, lessees, and tenants. This plan is available on the DOT&PF website: [Title VI of the Civil Rights Act of 1964 & Environmental Justice, Civil Rights Office, Transportation & Public Facilities, State of Alaska.](#)

Posters are displayed in the terminal and other public areas on airport property, including the following public locations:

Terminal/FBO/Concessions/ Other Locations	Quantity in Pre-Security Area	Quantity in Post-Security Area	Additional Quantities
Terminal A	1	N/A	1
Rent-a-Car	1	N/A	

Outreach to Affected Communities

The DOT&PF CRO Title VI Coordinator will ensure that the Airport's Title VI Liaisons ensure notices for public meetings reach all segments of the impacted community. The Title VI coordinator will identify the effective media platforms to share announcements and notices. Announcements are made in social media, general circulation newspapers, community newspapers, email broadcasts, and the DOT&PF’s website. The CRO Title VI Coordinator contacts leaders and representatives in Affected Communities directly or indirectly to confirm effective media platforms to reach all Affected Communities³ and provide important feedback on translated materials. The office maintains records of all such notices and the efforts made to reach each of the Affected Communities.

DOT&PF will create a detailed Community Participation Plan (CPP) by July 31, 2024. Detailed information on our public notice and outreach procedures and a copy of the plan will be available in [Title VI of the Civil Rights Act of 1964 & Environmental Justice, Civil Rights Office, Transportation & Public Facilities, State of Alaska](#)

² For more information about website accessibility, please visit ADA.gov.

³ We will not subject any persons to discrimination based on race, color, national origin, age, sex, or creed. The term "protected communities" is used within this Title VI Plan to highlight the requirements of Title VI, 49 U.S.C. § 47123, the Age Discrimination Act of 1975, and, in some instances, includes low-income populations under Executive Order 12898

To ensure that the community is effectively informed of and able to participate in public hearings, DOT&PF’s CRO includes public notices translated into appropriate languages, including for any language spoken by a significant number or proportion of the Affected Community population with limited English proficiency (LEP). Such social media postings and notices will include directions for obtaining an interpreter, free of charge, for public hearings. 28 CFR § 42.405(d). See Limited English Proficiency (LEP) Section.

6. Community Statistics

Title VI regulations require Federal grant recipients to know their community demographics. See 49 CFR § 21.9(b). By knowing this information, the CRO Title VI Coordinator can identify, understand, and engage with communities. In doing so, the DOT&PF needs to know about communities eligible to be served, actually or potentially affected, benefited, or burdened by DOT&PF’s airport program.

Affected Communities⁴	Population
Homer	11,086

(Hereafter, the above communities will be referred to collectively as “the Affected Communities”).

We have identified the following facts about the Affected Communities:
us

Low Income Communities⁵

A low-income area is an identifiable group of persons living in geographic proximity, whose median household income is at or below the Department of Health and Human Services poverty guidelines. Pursuant to Executive Order 12898, “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations,” DOT&PF is collecting information about affected and potentially affected low-income communities. According to U.S. Census Report, such as S1701: Poverty Status in the Past 12 Months, the overall poverty level for the Homer community is approximately 13.2 %. The poverty rate remains “high” compared with the rest of the State of Alaska at 10.5%. The poverty rates for the specific Affected Communities are as follows.

Affected Communities	Poverty Rate
Homer	13.2%

⁴ “Affected communities” means any readily identifiable group potentially impacted by an airport project or operation, such as the community immediately surrounding a project or a community in the flight path.

⁵ Low-income data must be collected to assist in our compliance with Environmental Justice requirements (not Title VI requirements). For example, this data will be utilized in our Community Participation Plan (CPP) to help ensure the meaningful involvement of low income communities in airport programs and activities.

Racial and Ethnic Communities.

Demographic data for race, color, and national origin was evaluated to identify racial and ethnic communities and populations in each Affected Community. The demographic composition by race, color, or national origin have not identified any specific area or Affected Communities and has only been determined by the community as a whole.

Affected Community: Homer
Total Affected Community Population: 11,086

Demographic Group within Affected Community	Number of People in Minority Group	Percent of Total Affected Community Population
White	8999	12.7%
Black or African American	15	33.3%
American Indian or Alaska Native	747	26.8%
Asian	228	6.6%
Native Hawaiian or Other Pacific Islander	41	9.8%
Hispanic or Latino	472	14.6%
More than one	963	9.4%
Some other race alone	93	5.4%

Limited English Proficiency (LEP).

All language access planning and implementation aim to ensure that DOT&PF effectively with limited English proficient (LEP) individuals. Effective language access requires self-assessment and planning. The next table lists non-English languages⁶ that are spoken in LEP households in the Affected Communities, the data source is American Community Survey, U.S. Census, EJ Screen, and City-Data.

The threshold we have used for identifying the languages with significant LEP populations is the DOT LEP Policy Guidance safe harbor threshold, which is 5% or 1,000, whichever is less.⁷ The safe harbor for our community is 468. Please refer to the end of this document to find data for all languages in our community.

⁶ Recommend using language groups from the U.S. Census and data for the "Speak English less than 'very well'" category for each language over the threshold.

⁷ See the DOT LEP Policy Guidance at <https://www.federalregister.gov/d/05-23972/p-133>. The safe harbor provisions apply to the translation of written documents only; however, it provides a consistent starting point for identifying significant LEP populations.

Beneficiary Diversity.

Demographic information is collected from airport customers, attendees at community meetings, and businesses seeking opportunities at the airport, through voluntary disclosures.

Description of Beneficiary Demographic Information Collection Methods

- Participants at small business workshops, pre-bid meetings, and other public meetings are asked to complete an anonymous survey that includes demographic information.
- Businesses that submit bids or offers are asked to complete an anonymous survey that includes demographic information submitted through a data collection website.

Staff and Advisory Board Diversity.

Demographic information is collected from airport program employees and members of planning and advisory boards, through voluntary disclosures.

Description of Employee and Advisory Board Demographic Information Collection Methods

- Currently, the HOM has no planning or advisory board members.
- Airport program employees provide voluntary demographic data during onboarding as part of collecting efforts to ensure nondiscrimination.

7. Potential or Known Community Impacts

Projects or services receiving federal financial assistance have the potential to touch so many aspects of American life. Thus, in general, no DOT&PF activity must have a discriminatory disparate impact on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age. This means that policies or procedures that have a disparate impact would require a well-documented substantial legitimate nondiscriminatory justification, summarized below. Impacts to protected communities must be avoided or minimized to the extent possible. No project with a discriminatory impact on protected communities will be undertaken.⁹

The following airport facilities are already in use or under construction and expected to be in use within the next 3 years:

⁹ In order to carry out an alternative with a discriminatory impact, the airport sponsor must demonstrate that there was a substantial legitimate justification for the decision. The sponsor must also show that alternatives with less discriminatory impacts were meaningfully considered and rejected for legitimate reasons.

We have analyzed the above existing facilities and facility construction projects for disparate impacts on the basis of race, color, or national origin (including LEP) in Affected Communities. The following have disparate impacts:

Airport Improvement	Homer	No

Justifications:

Facilities or Construction Projects	Justification
Airport Rehabilitation	Year 1 (NTP 1): Rehabilitate Runway 4-22 and RSA; reduce width from 150' to 100' with paved shoulders; rehabilitate the pavement for TW B North; rehabilitate the pavement for the portions of Taxiways A & B South near the runway intersections (remaining portions Year 2); remove TW D and convert to a service road for airport maintenance vehicles; construct new turnaround taxiway (TW G) at the east end of the RW; remove terrain obstructions within the Runway 4-22 Object Free Area; replace RW and TW edge lighting; replace VASIs with PAPIs for both ends of Runway 4-22; improve drainage, including replacement of culverts, ditch grading, and reconstructing the Lampert Lake outfall; adjust or relocate utilities, as needed. Year 2 (NTP 2): Rehabilitate pavement for rest of Taxiways A & B South, rehabilitate paved portion of the GA apron, expand the gravel portion of the GA apron to match north edge of paved GA apron, replace taxiway edge lighting, and adjust or relocate utilities, as needed.

8. Limited English Proficiency (LEP)
Executive Order 13166

In creating a Language Assistance Plan, the DOT&PF will consider the volume, proportion, or frequency of contact with LEP persons in determining the appropriate language assistance to provide.

In Community Statistics section, we identified the following languages spoken by LEP persons in Affected Communities:

Language
None

DOT&PF also collects data for languages spoken by airport guests.¹⁰ Data sources include:

Data Sources for Languages Spoken by Airport Guests	Website link to Data Source
None	
Airline-provided data	N/A
Assumption from flight origin / destination	N/A
Assistance requests to airport information desks	N/A

Based on the above data, the following additional languages have been identified as likely to be spoken by LEP airport guests: None

Language

The Title VI Coordinator will also actively engage with community educators, community groups, places of work, business groups, social groups, and the like to confirm that translation and interpretation services are accurate and effective. Additionally, the Title VI Coordinator will inform leadership and staff of the HOM of the responsibility to provide language access. We have made the following plans to provide translation services free of charge to ensure that individuals with LEP have access to the benefits of the airport:

Translation Services:

- All written notices contain a statement in the identified languages, when appropriate, of how to receive translated written materials.
- The following vendors have been identified for written translations:

Translation Vendors	Languages

¹⁰ We aim to provide appropriate language assistance services to every LEP person encountered. This includes instances when LEP statistical data for a particular language was not available beforehand, or the safe harbor threshold for written translation was not met.

Description of Interpretation Assistance Processes

- The airports operated by the Alaska Department of Transportation & Public Facilities (DOT&PF) use a combination of human staff, technology, and clear signage to offer translation services and ensure fair access to airport facilities. To address language barriers, DOT&PF uses pictograms in their wayfinding to bridge the gap between different languages. The Airport Emergency Plans include procedures to identify individuals who may require extra assistance, such as those with Limited English Proficiency (LEP), individuals with dementia or other invisible disabilities, people with visible disabilities, and unaccompanied elderly individuals and children. Staff members can provide language assistance by giving directions, answering questions, and offering guidance to passengers. In addition to human assistance, passengers can use smartphone translation apps as a technology solution.
- The DOT&PF CRO understands that the resources needed to provide the cost of translation services or have a certified translator in certain parts of rural Alaska might be high or non-existent. In such circumstances, the LEP person may use a friend or someone appropriate. In this circumstance, The DOT&PF CRO Title VI Specialist shall be notified when using a non-certified individual via email at DOT.Title6@alaska.gov or phone call at 907-268-0852 or 1-800-770-6236 within Alaska. year.

9. Transportation

49 Part CFR 21 Appendix C (a)(1)(ix)

In the Community Statistics section of this plan, we identified Affected Communities and provided demographic and related data for the community populations. The minority and disadvantaged community areas located within the Affected Communities are identified below. Other minority and disadvantaged community areas that are near the airport but not within Affected Communities are also identified below.

We have coordinated with Homer to encourage them to provide transit service access between the airport and these areas.

The following chart identifies existing and planned transit services connecting the airport employment centers with the identified minority and disadvantaged community areas.

Minority and/or Disadvantaged Community Areas	Transit Service	Planned or Existing
None		

10. Minority Businesses

49 CFR 21 Appendix C (a)(1)(x)

Bids for airport concessions and other business opportunities are solicited from area minority and woman-owned businesses through the following methods:

Airport Business Opportunity	Minority Business Outreach Methods
Statewide Leasing	<p>Statewide Aviation Leasing receives and processes applications for use of land at rural State-owned airports. Following internal review to decide if the application is approvable, a public notice is published listing the location to be contracted, authorized land use, length of contract and annual rent charged.</p> <p>These public notices are first posted on the State of Alaska website. Additionally, public notice flyers are physically posted in three public areas near the area to be contracted. These areas may include the local post office, shopping center, airport terminal buildings or other areas where the general public gathers. Public notices for new contracts and some applicable contract term extensions will solicit both comment and competing applications for submission. The length of public notice period is determined by the term of the contract, with contracts over 270 days in length being posted online for 30 days and physically posted in the community for 21 days.</p>

Selections are in compliance with Title VI, Part 21, and related requirements. Information on the award process and documentation for specific bid decisions is kept with DOT&PF Statewide Aviation.

11. Training

New employee orientation incorporates Title VI training. Topics include:

- Title VI and related laws prohibit discrimination on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age
- Title VI complaints must be forwarded to the Coordinator
- Protections against retaliation for filing civil rights complaints or related actions
- Title VI notices must be displayed throughout the airport public facilities
- All contracts must include Title VI clauses
- Language interpretation and translation services
- Cultural and community relations sensitivity training
- Anti-harassment training

Refresher information will be provided annually.

12. Compliance Reviews, Audits, Complaints, Lawsuits, and Other Investigations

- Compliance reviews or audits concerning civil rights requirements¹¹
- Complaints, lawsuits, or other investigations alleging noncompliance with civil rights requirements¹²

As discussed in the Title VI Complaints Section, Title VI complaints must be forwarded to FAA contacts within 15 days of receipt. For all other civil rights investigations, HOM must notify FAA contacts of any new investigations prior to grant execution.

At regular intervals, the Coordinator will provide FAA contacts with status updates for the investigations and reviews, until completed. For each existing investigation or review completed within 5 years of this plan, the Coordinator will also provide a statement about the outcome, unless previously provided.

13. Title VI Complaints
