## INPUT NEEDED FROM INTERESTED PARTIES!

Alaska DOT&PF has proposed an overall DBE project goal of 2.46% for vessel construction and a DBE goal for the Propulsion System Integrator (Siemens Energy) (more info coming soon).

The Public Consultation Meeting includes:

- An opportunity to ask questions and provide feedback on the proposed DBE goals and methodology.
- Networking opportunities for potential prime contractors and subcontractors.
- Links to information for potential DBE firms and other small businesses to explore the certification process.
