

THE ASSOCIATED GENERAL CONTRACTORS OF ALASKA

MEMBERSHIP OVERVIEW

OVERVIEW

AGC is the largest construction trade association in Alaska, supporting 600+ businesses across the state

We support both union and open-shop contractors as well as service providers & suppliers

Alaska chapter is celebrating its 77th year; AGC of America recently celebrated its 107th

AGC MISSION

The mission of AGC of Alaska is to advocate for our members and the Alaskan construction industry; to provide educational opportunities for our members; and to make the public aware of our members' skills, responsibility and integrity.

Advocate, Educate, Promote.

carrie@chemtrack.net

AGC GOAL: **ADVOCACY**

Facilitate cooperative and collaborative relationships between members and related construction industry professionals for responsible dealings with the public

Unite the construction industry to focus on balanced industry advancement

Motivate involvement, increased membership and retention

Foster and promote constructive legislation, regulation and standards

AGC GOAL: EDUCATION

Promote continuous improvement in construction standards, safety protocol and ethical business practices

Utilize discounted registration for members on certifications required for on-site work in Alaska: AK-CESCL, SWPPP, CQM, Bluebeam, etc.

Support construction education programs –UAA/UAF Construction Management, Scholarships, Speed Interviewing Events

Leverage AGC EDGE to encourage professional development and employee retention: BIM, Lean, PMDP, SMTC, etc.

We Build Alaska Workforce Development Campaign Goal:

Attract, activate and engage and the next generation of the construction industry workforce in Alaska, and drive traffic to webuildalaska.com where we house resources for all of the existing skilled trade training/apprenticeship programs throughout Alaska.

AGC GOAL: PROMOTION

- Communicate successes of industry through our *Alaska Contractor Magazine*
- Weekly eNewsletter & Annual Report to Members
- AGC Excellence Awards
- Promote impact & value of our industry to policy makers through CIPF Construction Spending Forecast & Economic Impact Reports

"It's good business to do business with an AGC Member."
